CLYDE KING, JOHN McBRIDE, Secretary, Chairman.

Few men can be enthusiastic strikers in the presence of their hungry families.

The Chicago platform, like that of the railway passenger car, was not made to stand upon.

The large number of fools in conspicuous positions has been made painfully evident by the disturbances attendant upon the strikes.

SOME of Mr. Cleveland's own party are denouncing him for his efforts to maintain law and order, but the patriotic people of the country will support him.

If Governors Altgeld, Stone, White Pennoyer want Debs to reciprocate they had better get in their applications before Mr. D. takes his dive to his native obscurity.

EVEN if the states rights doctrine was the law of the land, which it is not, Mr. Cleveland would be perfectly justifiable in ignoring it in dealing with the mobs in states so unfortunate as to be cursed with anarchist governors.

THE most senseless of all strikes is a "sympathetic" strike. When a man strikes for his own grievances he is apt to get the sympathy of the public, but when he strikes for another's grievances he is more apt to be called a fool.

A SINGLE county in Pennsylvania had to pay \$3,000,000 for the damage done during the railroad strike riots in 1877. The tax payers of Cook county, Illinois, will probably have a larger bill than that to pay for the Debs' strike.

THE FRONTIER started on its fifteenth year last week. It is becoming such a common thing for us to live from one year to another that we forgot to mention our birthday. Newspapers come and go but the old reliable goes on forever.

It may have been the proper thing for the supervisors to pay an Omaha attorney \$100 to defend Henry Murphy against Dell Aiken's damage suit, but we don't look at it that way. It establishes a precedent that consistently adhered to, might bankrupt a state, say nothing about an impoverished county.

IT would please THE FRONTIER to see Holt county's state delegation cast about eleven votes for Will Maupin for secretary of state. We believe Mr. Maupin was first mentioned in this connection high into two years ago by THE FRONTIER. He was a good man then and he has been getting better ever since.

THE whiskey trust is bottle holder and the sugar trust rubber-down in the tariff fight between the senate and the house. Mr. Cleveland is seconding the house and Senators Brice and Gorman the senate, while Dave Hill is doing the disinterested onlooker act. No gloves are to be used and it is to be a fight to a finish.

MOST of the pop papers throughout the country are supporters of the strike, not because they believe it is just, but because it is in the name of labor. A pop will condone, palliate and excuse any crime committed in the name of labor. The word is to them what a red flag is to a gentleman bovine, and like the latter they will in their mad flight pursue it over the brink of the precipice.

THE mask has at last been withdrawn. Sheriff sale notices now appearing in the Sun do not have the sheriff's name supplemented by that of the deputy. The deal is an open one and shows circumstantial evidence strong enough to hang both the editor and sheriff. It would appear that in the eyes of the sheriff he owes his election to powers other than those contained in the bottle of Kautzman's vituperative ink.

WE were told while the strike was raging that it was all caused because the wages paid by Mr. Pullman were so very small that his employees were actually starving and resorted to boycott as a last resort, but now that it has been discovered that the strike cannot win the men are asking to be re-instated at the old wages. It would seem from this that they are willing to work even if they starve while doing it. A Chicago dispatch to a Monday's daily says: "It has just developed that Chairman Heathcote of the committee of Pullman strikers sent a letter Tuesday to President Debs of the American railway union asking him to call off the boycott and strike. No answer has yet been returned. It is explained that this request of the Pullman strikers was the sending of the peace proposition to the general managers. The majority of the Pullman strikers are anxious to return to work."

THAT philosopher, Walt Mason, in his weekly communication to the State Journal, writes the following in regard to populist editors: "In the days of the years of our stay in the land we have seen a good many newspaper men, and the queerest bird of them all is the populist editor. If we suppose that he believes the stuff he prints, he is the gloomiest individual on earth; he sees no good in anything; he lives in a land of bow-wows; the earth is composed of sackcloth and ashes, and the rivers run tears. There is one fellow who used to edit a republican newspaper, a halcyon days of pleasure and contentment. He

"It is with pleasure that I send a testimonial concerning what Hood's Sarsaparilla has done for my daughter. It is a wonderful medicine and I cannot recommend it too highly. Sarah, who is fourteen years old, has been

Afflicted With Scrofula ever since she was one year old. For five years she has had a running sore on one side of her face. We tried every remedy recommended, but nothing did her any good until we commenced using Hood's Sarsaparilla. My married daughter advised me to use Hood's Sarsaparilla because

Hood's Sarsaparilla Cures

It had cured her of dyspepsia. She had been troubled with that complaint since childhood, and since her cure she has never been without a bottle of Hood's Sarsaparilla in the house. We commenced giving it to Sarah about one year ago, and it has conquered the running sore,

Only a Scar Remaining as a trace of the dreadful disease. Previous to taking the medicine her eyesight was affected but now she can see perfectly. In connection with Hood's Sarsaparilla we have used Hood's Vegetable Pills, and find them the best." Mrs. MARIA GRIFFIN, Xenia, Illinois.
