FOREST FIRE SUFFERERS. Land Commissioner Lamoreaux Asks Congress to Allow Timber Cutting.

WASHINGTON, Oct. 6.-S. W. Lamoreaux, commissioner of the general land office, in his annual report to the secretary of the interior, makes several suggestions for the benefit of the sufferers by forest fires in Michigan, Minnesota and Wisconsin. He says: "The timber destroyed by fires in public lands has been left in such a condition that if not cut and disposed of in a short time it will become worm eaten and worth-less, thus depriving the land of a great proportion of its value to the settler seeking title thereto. Numerous applications have been made by the sufferers from these fires for permission to cut the timber at once and sell it." He therefore recommends He therefore recommends that congress be asked to give the permission necessary to allow the cutting of this timber and thus prevent the total loss of millions of feet. He also suggests that congress take necessary steps for the relief of fire sufferers, following the precedent set in similar cases.

BISHOP MATZ ON THE A. P. A.

He Severely Denounces the Organization in His October Pastoral.

DENVER, Col., Oct. 6.-In his October pastoral Bishop Matz says the church in Colorado is passing through an appalling crisis. "It is," he says, "sec-tarian bigotry, which, led on by a set of fanatics, bids fair to outdo the follewers of Cromwell and the maniacs of the French Commune. It is a fact which has called forth the amazement of the most remarkable men of our time, most remarkable men of our time, that an age like ours, and a country over which floats the American flag, should have fostered this A. P. A. monster, which, while it carries the constitution of the United States in one hand and the bible in the other, would fain strangle with its deadly fangs the church whose children fought so bravely under the stars and stripes against tyranny and oppres-sion. But the fact. nevertheless, remains, and is, indeed, more strange than fiction."
