

Right Arm Paralyzed

Saved from St. Vitus Dance.

Our daughter, Blanche, now fifteen years of age, had been terribly afflicted with nervousness, and had lost the entire use of her right arm. We feared St. Vitus dance, and tried the best physicians, with no benefit. She has taken three bottles of Dr. Miles' Nervine and has gained 31 pounds. Her nervousness and symptoms of St. Vitus dance are entirely gone, she attends school regularly, and has recovered complete use of her arm, her appetite is splendid.

Dr. Miles' Nervine Cures.

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 bottles for \$5.00. It will be sent prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

For Sale by all Druggists.

Chamberlain's Cough Remedy gives the best satisfaction of any cough medicine I handle, and as a seller leads all other preparations in this market. I recommend it because it is the best medicine I ever handled for coughs, colds and croup. A. W. Baldrige, Millersville, Ill. For sale by P. C. CORRIGAN, Druggist.

The home newspaper too frequently does not receive that support and respect from the community in which it is published to which it is entitled. It is more or less a public institution, and the editor, if he is fit to hold the place he occupies, is always alert to do and say everything necessary and possible for the benefit of his town, and his efforts should meet with the reward of the patronage of the people of his town who are able to read and write, no matter if they do not entirely agree with the editor in all the views he puts forth as to public affairs. The editor of an exchange who has kept tab on those who show a lack of appreciation of his honest efforts to get out a decent and respectable home newspaper gives about the facts as follows: "Whenever you hear a man finding fault with a local paper, open it up, and ten to one he hasn't an advertisement in it; five to one he never gives it a job of work to do; three to one that he does not take the paper; two to one that if he is a subscriber, he is a delinquent; even odds he never does anything in any way that will assist the publisher to run a good paper; and forty to one that if the paper is a good one and full of life, he is most eager to see the paper when it comes out."
