Visitors to O'Neill are always much impressed by its splendid cornet band. And why shouldn't they be? It's a daisy.

This vicinity was visited by splendid showers Tuesday and Wednesday. Although a couple of weeks late they are greatly appreciated.

The Creighton ball team will play ball with the home team in O'Neill next Sunday afternoon. The game promises to be well worth seeing.

The new smoke stack for the electric light plant has arrived and is being placed in position. The town will be in darkness while the repairs are being made.

Printers' Auxiliary: When the revival of business comes—and the first indications of it are already at hand—the best way to get a share of it is to advertise. Use freely the columns of your county paper. It is good policy to do this all the time, but if it has been suspended during the dull period it cannot be resumed too soon if a share of public patronage is desired.

Graphic: Tyler Scriven, of Conley township, is mentioned as a candidate for sheriff on the republican ticket. Mr. Scriven is a well-to-do farmer of the south part of the county, who is a straight republican with a reputation for honesty and integrity that can't be excelled by any man in the county. He is just the kind of a man that all classes of people would vote for.

Exchange: A Swede friend of ours came to town the other day, having quite a sum of money in silver. A friend made the remark to him that he was a silver man. "Yes," he said, "I be a free silver man today, tomorrow I may have gold and then I is a goldbug; another day I have paper money and then I am a greenbacker; and another day I have no money and then I am a pop."

The Graphic says "a gentleman who has been quite prominent in populist circles in this county for the last two or three years told us that if the republicans put up good, clean, honest men that we would have the old time republican majority this fall." That's nothing new; they are nearly all talking in that tone now. It is a foregone conclusion that the republicans will win if they only act half wise.

Butte Gazette: Sanford Parker, banker, poet and agriculturalist, contemplates starting a paper at Spencer, so he informs us. It will sail under the name of "Roaster." Sanford has several back-number grievances, and a job lot of up-to-date ones, that he wishes to spring upon a suffering public and will take this method of so doing. That the "Roaster" will be a blooming success there can be no question, as Bro. Parker is an easy and graceful writer and has a bank back of the enterprise to keep the machine running.

The following from the Atkinson Graphic would indicate that the mass gathering of democrats, at that place was not as momentous as the call lead people to expect: "Last Tuesday was the day set by the free silver democrats to hold their mass-convention to send delegates to the demo-pop convention at Omaha. Optician Baluss and Dr. Blackburn scoured the city all the afternoon from the railroad yards to the river, and at 5:30 had gathered together about fifteen men of doubtful political color, who proceeded to elect Baluss and Blackburn as their representatives in the Omaha menagerie."

"The local paper is expected to warn the people not to patronize the agents of the Chicago grocery houses who swarm over the country as they are fakirs and swindlers," says an exchange. "And when these peddlers strike town the business men see that they are promptly assessed an occupation tax before doing business. All this is for the protection of the local merchants. But when a smooth fellow from Peoria, Chicago, Lincoln, Omaha or some other place comes along and takes orders for cheap Jim Crow printing no one thinks of 'protecting' the home paper which is expected to expose the other fakirs in order to protect the business men. How would a little reciprocity work?"

## VERY GOOD RIDDANCE

The Supervisors Meet and Redistrict According to Law.

## THEY ARE ONLY SEVEN NOW

Populists Lost Control in the Lottery that Drew the Seven.

The supervisors met last Tuesday and by a vote of 18 to 12 decided to redistrict the county into seven supervisor districts as provided by the Burns law enacted by the last legislature. A committee of seven was appointed, a majority of whom were populists, to submit a plan for redistricting. The committee returned a majority and a minority report. The board accepted the pop majority report and the several districts are composed as follows:

District No. 1. Cleveland, Sand Creek, Dustin, Saratoga, Rock Falls and Pleasant View.

District No. 2. Shields, Paddock, Scott, Steel Creek, Willowdale and Iowa.

District No. 3. Grattan and O'Neill.

District No. 4. Ewing, Verdigris, and Deloit.

District No. 5. Chambers, Conley, Lake, McClure and Inman.

District No. 6. Swan, Wyoming, Fairview, Francis, Green Valley, Sheridan and Emmet.

District No. 7. Atkinson and Stuart.

The minority report wanted all of the districts formed upon different lines and would have the several districts as nearly compact as possible, as the law provided, but the pops were afraid the republicans might have too good a show of getting control of the board and they promptly voted it down.

After the report was accepted the members from the several townships in each district drew lots to determine who would represent the districts and the following members were winners:

District No. 1. J. D. Alfs.  
District No. 2. J. Donohoe.  
District No. 3. R. J. Hayes.  
District No. 4. G. H. Phelps.  
District No. 5. George Eckley.  
District No. 6. H. C. Wine.  
District No. 7. Frank Moore.

These members only hold until the first of the year, and each district will have to elect a supervisor this fall.

The new board met Wednesday morning and elected H. C. Wine chairman. The chair then appointed the following committees:

Judicial and legal expenses, court-house and jail supplies: Phelps, Hayes and Alfs.

Printing and supplies, and finance and official bonds: Hayes, Donahoe and Moore.

On settlement with county officers—Moore, Phelps, Wine and Donahoe.

Roads bridges ditches and drainage—Wine, Phelps and Moore.

On tax titles and claims—Donahoe Hayes and Alfs.

The board adjourned to meet September 10, at 10 o'clock.

## MORE BASE BALL.

The ball games in O'Neill last week between O'Neill and Coleridge drew large crowds and all were satisfied that they received the worth of their money, particularly in the last two games. Friday's game, the first, was a pretty scrubby affair upon the part of O'Neill's club, to tell the plain truth about the matter, but they made up for it in the two succeeding contests.

**FRIDAY'S GAME.**  
The score:  
O'Neill.....011000103-6  
Coleridge.....50905100-20  
Base hits: O'Neill 6, Coleridge 10. Two base hits: O'Neill 1, Coleridge 3. Three base hits: O'Neill 1, Coleridge 2. Batteries: Jamison and Furay, Rodman and Woods. Umpire: Cronin.

**SATURDAY'S GAME.**  
The score:  
O'Neill.....00010021-4  
Coleridge.....00003000-3  
Base hits: O'Neill 5, Coleridge 8. Two base hits: O'Neill 1, Coleridge 1. Batteries: McElvahn and Jamison, Graham and Morrison. Umpire: King.

**SUNDAY'S GAME.**  
The score:  
O'Neill.....000123010-7  
Coleridge.....000001200-3  
Base hits: O'Neill 12, Coleridge 5. Two base hits: O'Neill 1, Coleridge 1. Home run: O'Neill 1, Jamison. Batteries: Kimmell and Jamison, Graham and Woods. Umpire: King.

This series of games was advertised to be for the championship of Northern Nebraska, and it was no joke, either. Coleridge had clearly established her right to the belt and wore it gracefully until she met her Waterloo at O'Neill. O'Neill's aggregation, although a new one, had proven itself worthy the best steel and the score shows it made no mistake in contesting for state honors.

The games were all quiet and friendly ones and we think the visitors were well satisfied with the treatment they received while sojourning among us. Their team is certainly composed of a gentlemanly lot of boys and they made many friends in O'Neill.

**DEMOCRATIC CONVENTION.**  
The democratic convention of Holt county is hereby called to meet at the court-house in O'Neill, on Saturday, the 31st day of August, 1895, at 10 o'clock A. M., for the purpose of electing seven delegates to the state convention to be held at Lincoln, September 5, 1895; also delegates to the judicial convention; also to place in nomination candidates for the following offices, viz:

One county treasurer.  
One county sheriff.  
One county clerk.  
One county judge.  
One clerk of the district court.  
One county superintendent.  
One county coroner.  
One county surveyor.

And for the transaction of such other business as may properly come before it.

The basis of representation is one delegate at large, and one for each 800 votes or major fraction thereof cast for R. E. Dunphy for lieutenant governor, each township, however, to have not less than one delegate.

The townships are entitled to representation as follows:

Atkinson.....8  
Cleveland.....1  
Conley.....1  
Chambers.....1  
Dustin.....1  
Deloit.....1  
Emmet.....2  
Ewing.....2

Total.....52

It is recommended that no proxies be admitted to the convention; also that the delegates present be allowed to cast the full vote of their respective townships.

It is further recommended that the caucuses in the several townships and wards be held at 4 o'clock in the afternoon of August 29, 1895.

## JUDICIAL CONVENTION

It Met in O'Neill Monday and Nominated Candidates.

## MURPHY IS SNOWED UNDER

Golden Controls the Machine and Wins Over Murphy.

The district judicial convention held in O'Neill last Monday was not quite up to populist expectations. The crowd would have been plenty large enough for a county rally, but for a district as large as the Fifteenth it evidenced a lack of interest and don't careness that goes with a forlorn hope and a lost cause.

In the forenoon a meeting was held in the grove south of the depot, where speeches were made by the candidates and others.

Although the convention was called for 2 o'clock, it was somewhat later when it was called to order.

Chairman H. M. Bullock being absent the meeting was called to order by Mr. Sparks, of Cherry county.

Ed L. Heath of Sheridan county was chosen temporary chairman and W. R. Butler of Holt county as temporary secretary.

On motion the chair appointed a committee of three on credentials, consisting of Reed, of Valentine, McKinney, of Sheridan, and Sparks, of Box Butte.

On motion the chair appointed a committee of three on resolutions and permanent organization, consisting of John Morrow, of Holt, W. Phillips, of Rock, and Charles Leer, of Keya Paha.

On motion the chair appointed J. L. Gibson, of Dawes county, as assistant secretary.

The committee on credentials reported as follows:

We, your committee on credentials find the following delegates entitled to seats in the convention:

Box Butte county—A. S. Reed, G. M. Sullivan, E. D. Payne, M. D. Bullock, Albert Hadley, W. M. Iodance.

Sheridan county—Henry Murphy, A. McKinney, Frank Noverak, H. J. Stanchfield, C. F. Wood, E. L. Heath, Joseph Sweeney, E. Bandler, L. M. Osborne, James Davis, Charles Rebeck.

Dawes county—A. M. Morrissey, E. M. Cook, Henry Deans, H. G. Stewart, J. L. Gibson, J. B. McDonald, Henry Whiting, J. J. Harbaugh, chairman.

Sioux county—W. J. A. Raum, N. J. Weber.

Brown county—W. D. McCord, Geo. A. Miles, G. D. Beeke, Robert Wilbe.

Keya Paha county—C. E. Leer, A. Poitevin, J. M. Hackley, T. T. Chambers.

Cherry county—L. C. Sparks, Frank Rantkleiter, Wm. Morgarledge, M. R. Farris, John Fester, O. W. Hahn, Chas. E. Doty.

Rock county—D. K. Snyder, D. D. Bates, W. T. Phillips.

Holt county—Thomas Carlon, B. T. Trueblood, T. V. Norvell, D. A. Jillson, J. C. Morrow, Robert Gallagher, John Carnton, D. A. Coombs, Gus Allen, J. H. Hopkins, Alexander Marlow, J. W. Leeper, W. R. Butler.

Boyd county—Charles Tienken, S. C. Clucas, N. H. Blackmer, E. A. Wales, Geo. P. Garrison, Ed L. Whitney.

The committee on resolutions and permanent organization then made a partial report as follows:

We, your committee on resolutions and permanent organization recommend that the temporary organization be made permanent.

Partial report adopted.  
Moved to proceed to an informal ballot for nominees for district judges. Motion amended to proceed to nominate candidates by speeches. The amendment failed to carry. Vote 33 against; 31 for.  
Moved that the convention proceed to an informal ballot on candidates for judges. Carried.  
Committee on resolutions being in waiting were requested to report and did so as follows:

The peoples' independent party of the Fifteenth judicial district re-affirms its faith in the principles of equal rights to all, set forth at Omaha, July 4, 1892.  
We urge the people of this district to the instant urgency and need of placing the courts of our state and nation in the hands of friends of the common people.  
We cite the cases of Justices Reese and Maxwell as instances of capable lawyers who were the friends of the common people, and the treatment they received at the hands of the dominant party in this state.  
We charge the present judges of this judicial district with needless and vexatious delay in the trial of causes, thereby in many cases depriving the people of this district of justice, and piling up a vast burden of taxation.  
We charge them with long, wearisome and needlessly holding cases under advisement.  
We charge them with willful maladministration of the law, with using their offices for political purposes and with the retaining in office of thieves and public plunderers by unjust decisions.  
We pledge the nominees of the convention to a course of speedy and fair adjudication of all causes brought before them.  
We condemn the practice of accepting free transportation or passes, and we distinctly pledge the nominees of this convention and make it a condition of their acceptance that under no circumstance shall they accept any free transportation or other valuable gift from any railroad or other corporation.  
Respectfully submitted,  
C. E. LEER, Chairman.  
W. T. PHILLIPS,  
J. C. MORROW.

Report of committee on resolutions adopted and committee discharged.

Moved that convention proceed to an informal ballot by counties, alphabetically. Carried.

The informal ballot stood: H. E. Murphy, of Holt 48; T. V. Golden, of

Holt, 18; Charles Leer, of Keya Paha, 8; E. S. Ricker, of Dawes, 19; W. H. Westover, of Sheridan, 44.

Moved that convention proceed to a formal ballot. Carried.

The formal ballot resulted: H. E. Murphy 30; T. V. Golden 84; E. S. Ricker 19; W. H. Westover 45.

Westover and Golden having received a majority of all votes cast, the chair declared these two the nominees for district judges of the peoples' independent party for the Fifteenth judicial district.

Moved that Dr. Trueblood, of O'Neill, be selected as chairman of the Fifteenth judicial district. Carried.

Central committeemen were chosen by the respective counties as follows: G. M. Sullivan, of Alliance; Charles Tienken, of Grand Rapids; George Miles, of Ainsworth; Charles Doty, of Valentine; A. Morrissey, of Chadron; Thomas Carlon, of O'Neill; R. H. Clockton, of Springview; W. T. Phillips, of Bassett; M. J. Weber, of Fort Robinson; A. McKinney, of Hay Springs.

The convention, after listening to speeches from the nominees and others, adjourned.

Gentlemen, don't fail to look at our new stock of clothing this fall. The prices will astonish you they are so cheap. 8-1 J. P. MANN.

We hope to meet you Tuesday at our opening, and will do our best to entertain. Yours truly, J. P. MANN.

Graphic: No one in Atkinson wanted to inject politics into the irrigation election, but when the populists tried to poke Jim Greig down their throats it was time to inject something into the question. With the idea probably of vindicating someone, the populists are putting forward their most objectionable men. The history of all reform parties is that they start out fairly well, but the disreputable element which always gets to the top soon drags it down to defeat, and that will be the culmination of the populist party in Holt county this fall.

He was soon relieved and the first words he uttered were, "what was that stuff you gave me?" I informed him.
