That it is furthest from its intention, in the least or in any conceivable manner, to curtail a single courtesy due, and which has always been and always will be cheerfully and unreservedly extended."

Mrs. E. E. Davis, of San Miguel, Cal. says: "I am trying in a measure to repay the manufacturers of Chamberlain's Cough Remedy for the great good their remedy has done me. For years I was a constant sufferer from weak lungs and bronchial asthma. My rest at night was disturbed by a hacking cough, so that I felt miserable the greater part of the time. Many remedies recommended by friends were tried, none of which proved suitable to my case. I did not experience any beneficial results until I began taking Chamberlain's Cough Remedy. After two bottles of the large size have been used I am pleased to state, my health is better than it has been for years. The soreness has left my lungs and chest and I can breathe easily. It has done me so much good that I want all who are suffering from lung troubles, as I was, to give it a trial." For sale by P. C. Corrigan

I have just returned from Chicago where I have been on the market the past two weeks purchasing my fall stock. But when they went home they found it necessary to explain their defeat in someway and no doubt thought it safest she said. to attribute it to the umpire and the spectators. The Coleridge Blade, in the committee on credentials was the speaking of Sunday's game, puts it this

"Robbery" explains the defeat of the home team in this game. All who agreed to yell for O'Neill were admitted free, while a prominent business man, DeYarman, distributed five dollars among them. The Coleridge players were called disgusting and profane names, both on the grounds and streets after the game. Starks scored the first run in the game in the third and they called him out for smiling as he came over the home plate. Stone made a three-bagger in the next inning and was sent to the bench for hitting the ball so

It really is a shame that O'Neill has a set of boys who will applaud the home team. They should shout for the visitors, always. And poor Stone! "called out for hitting the ball so hard." He protest was entered when he was properly put out for so doing. And there is Smiling Starks! Yes, he was called out, To the Sporting Editor of the Bee:

In umpiring the Sunday game between O'Neill and Coleridge, a peculiar situation arose, and I would like your opinion as to the justness of the decision made. The case was like this: The bases were all occupied, one man out, a coacher was at first and third, the bater struck out, but the catcher failed to hold the ball and threw it to first before the umpire declared the batsman out. The batsman, who had run to first, in the confusion that followed, ran across the diamond to third and with the assistance of the coacher pused the base-runner on third over the home plate. I lett the base and gone nearly over to the bench and then returned to the base, from which he was rescued by the men as aforementioned.-Clyde King. Ans. The decision was all right.

This decision from Griswold removes the last prop from the Coleridge claim of unfair treatment, and they well merit the criticism they have received for crying over milk spilt when they themselves kicked the bucket.

CREIGHTON TAKES THE GAME.

The ball game between Creighton and O'Neill at the home grounds last Sunday afternoon was disastrous to our lightweights. Creighton carried off the honors but she was not entitled to them. While the visitors made ten hits and O'Neill but six, our boys outplayed them all around and should, and would have won but for a couple of costly errors.

The game, however, was a pretty one and those who paid their money to see it were well satisfied with the exhibition. The score:

O'Neill...... 1 1 0 3 0 0 0 0 0-Creighton.....30000210-6 Base hits: O'Neill 6, Creighton 10. Bases on balls: Beymer 2. Home run: J. Reef Creighton. Struck out: McIlvane 6, Beymer 4. Batteries: O'Neill, Mcllvane and Jamison; Creighton, Beymer and Carroll Umpire: Cronin.
