John Hannigan died at the residence of his son Michael, three miles northwest of this city, last Thursday morning. The deceased was born in the parish of Patree, county Mayo, Ireland, in the year 1798. He came to the United States in 1866 and settled in St. Louis where he remained until he moved to this county in 1876, when he settled upon a farm three miles northwest of O'Neill. The deceased leaves a wife and four children, two sons and two daughters: Michael, Mrs. John O'Fallon and Mrs. John Heenan, who reside here, and James who lives at St. Louis. THE CITY ELECTION.

Mr. Murphy Defeats Mr. Brennan by Majority of Six.

The city election last Tuesday was comparatively quiet one and a very light vote was polled, being only 215. The result was a surprise to some and a confirmation of predictions made by others, as is, of course, always the case. Mr. Murphy defeated Mr. Brennan by a majority of six, and there is considerable conjecture as to just where he got the plaintiff. The lodges will appeal. votes to do it. It was, as was said last week, a peculiar fight.

N. Martin defeated Charly Rright for clerk by a majority of one.

In the first ward C. W. Hagensick was elected councilman over John Golden by a vote of 52 to 24. In the Second ward W. T. Evans de-

feated John Nolan by a vote of 45 to 24. In the Third ward Elsworth Mack was elected over E. E. Thompson by a vote of 40 to 28. Mr. Thomson declined to make a fight for the office in this ward and said he would not qualify if elected, consequently the contest was easy for Mr. Mack. They are both republicans.

For the office of city treasurer there was no candidate on the ticket, but John McHugh was re-elected by his friends writing in his name. Jim O'Donnell was also a candidate in the same way for the office.

Although the populists have mayor, the republicans have five of the six councilmen and there are rumors of a lively time when the mayor shall come to make his appointments.

The vote by wards is as follows:

First-For mayor, Neil Brennan 31, Henry Murphy 45; for clerk, C. L. Bright 31, N. Martin 46; for councilman, John Golden 24, C. W. Hagensick 52. W. T. Evans 45, John Nolan 24.

Third-For mayor, Neil Brennan 36, Henry Murphy 32; for clerk, C. L. Bright 40, N. Martin 29; for councilman, E. J. Mack 40, E. E. Thompson 28.

It granted the Atkinson application restraining the submission of the O'Neill-Stuart proposition, and denied the application for mandamus to compell the submission of the Atkinson proposition. This leaves the matter just as it was be-
