"We take pleasure in recommending Chamberlain's Cough Remedy because it is praised by all who try it," says J. W. Cox & Son, druggists, Marshfield, Oregon. No one afflicted with a throat or lung trouble can use this remedy without praising it. It always gives prompt relief. It is especially valuable for colds as it relieves the lungs, makes breathing easier and aids expectoration. A cold will never result in pneumonia when this remedy is taken and reasonable care exercised. For sale by F. Corrigan, druggist.

The Odors and Color of Flowers.
Plants with white blossoms have a larger proportion of fragrant species than any other; next comes red, then yellow and blue; after which, and in the same order, may be reckoned violet, green, orange, brown and black. The flowers of spring are white and highly fragrant; those of summer are red and yellow and less fragrant; those of autumn and winter are darker and with still less perfume.
