It is reported upon our streets this morning that Layton Shaw died Monday at the home of his parents in Fitzgerald, Ga. The report cannot be verified and THE FRONTIER trusts that it is without foundation. He was a son of Mrs. Adam, whose death is chronicled elsewhere.

Mrs. E. H. Cress has moved her store and restaurant to the building formerly occupied by O'Connor & Gallagher. Harry Weekes brought quite a curiosity into THE FRONTIER office Friday. It was a four days' old chicken, which had four well developed legs. Two of them grew in the proper place, while the other two were on the back a little behind the others. The chick was as pert as a spring lamb and will probably live and be worth as much as two roosters in any man's garden.

In running our eye over the subscription contributions for our big celebration we see the much persecuted Jew gave five dollars, notwithstanding McHugh is gobbling up his sheriff patronage. But the patriotic idol up at the court house who draws \$2,000 salary from the taxpayers while he pats his democratic allies on the back, did not give a cent toward entertaining the horny-handed strangers on the Independence birthday.

The senior member of this firm, and wife, enjoyed a mess of strawberries last Monday, which were presented by Mr. and Mrs. O. O. Snyder. The berries were raised in their garden and were delicious. Lumber wagon for sale cheap. 50-2 MIKE ENGLEHAUPT.

O. C. Holmes, secretary of the Manufacturers and Consumers Association of Nebraska, was in the city yesterday visiting our merchants. He believes, and rightly, too, that Nebraska's citizens should patronize Nebraska's manufacturers. The association has issued a little circular on the subject, which closes with these pertinent remarks: "The Nebraska manufactured articles are fully equal in quality, and are in all cases just as cheap in price, as goods made abroad or in other states, and if the people of this state will lay aside the old-fashioned idea that things, in order to be good, must come from a distance, and will join in the movement in favor of Nebraska goods for Nebraska people, our population will be increased; the money we are now sending away to enrich other communities will build up Nebraska industries and pay wages to Nebraska workingmen, who in their turn will buy the products of Nebraska farmers of Nebraska merchants."

BICYCLE TICKETS. Parties who have had goods charged since March 1, can get bicycle tickets on same by paying for them before July 4. 50-3 J. P. MANN.

AT ST. LOUIS. There is no nomination at St. Louis. The convention met Tuesday and has adjourned from day to day without doing much. McKinley has practically no opposition, and it is thought that Morton will be nominated for vice-president.

John M. Thurston will be permanent chairman, having been selected by the unanimous vote of the committee. He was also made the member of the national committee from Nebraska.

THE CONVENTION.

The republican county convention met in the court-house in O'Neill last Saturday as per call of the central committee.

The convention was called to order by Chairman Weekes and the call read by Secretary, King, after which G. C. Hazelet was elected temporary chairman and J. H. Meredith temporary secretary.

The work of appointing committees then proceeded and was as follows: Credentials—Harrison, Gilmore, Galaher, Calkins and Davis. Resolutions—Cronin, Wertz and Janness.

Permanent organization—Alderson, Griffith and Sturdevant. Order of business—Weekes, Slatery and Dutton.

To give the committees an opportunity to prepare their reports the convention then adjourned until 1:30 P. M. After dinner the convention was called to order promptly on time and listened to the reports of the committees.

Atkinson township did not like the basis of representation and brought down two more delegates than it was entitled to under the call. A majority of the committee on credentials reported in favor of seating them, but the minority brought in a report adverse to the township and the minority report was adopted after considerable discussion.

The committee on permanent organization recommended that the temporary organization be made permanent and the report was adopted.

The committee on resolutions reported as follows:

We, the republicans of Holt county in convention assembled, renew our allegiance to the principles of protection and reciprocity, enunciated by that eminent statesman William McKinley, and the late lamented James G. Blaine.

We are opposed to the attempts of secret, oath-bound organizations to disarm men from political preference on account of their religious belief; therefore, be it

Resolved, That we pledge the nominees of this convention to stand upon the constitution of the United States, which guarantees to every man equal rights, without regard to race, color, or creed.

Resolved, That we are firm and emphatic in our demands for honest money. We believe that our money should not be inferior to the money of the most enlightened nations of the earth. We are unalterably opposed to every scheme that threatens to debase or depreciate our currency. We favor the use of silver as currency, but to the extent only, and under such regulations, that its parity with gold can be maintained, and in consequence are opposed to the free, unlimited and independent coinage of silver at a ratio of 16 to 1, by this country, of all the silver of the globe.

Upon motion the chair appointed the following committee to select delegates to attend the state convention: J. L. McDonald, J. P. Gilligan, B. W. Johnson, Frank Phillips and Robert Chittick. The chair also appointed the following committee to select delegates to attend the senatorial convention: D. C. Harrison, E. S. Gilmore, John Alderson, B. Sturdevant and Thomas Simonson. A ballot was ordered which resulted as follows: Trommershauser, 46; Rice, 19; Moler, 12; Alderson, 23. No choice. Second ballot—Trommershauser, 71; Moler, 11; Alderson, 23. Trommershauser was declared the nominee by the chair.

Third ballot—Rice, 44; Alderson, 36; Moler, 22. No choice. Fourth ballot—Rice, 54; Alderson, 35; Moler 18. J. Rice was, by the chair, declared the nominee.

McDonald, S. J. Weekes, J. M. Hunter, J. A. Rice, W. S. Griffith; and we further recommend that the convention make the selection of the chairman of said delegation.

Upon motion John Skirling was elected chairman of the county central committee and Clyde King secretary.
