Congressional convention, North Platte, July 3.

SENATORIAL CONVENTION.

The republican senatorial convention of the Thirteenth senatorial district will be held in the court-house in the city of O'Neill, Neb., on Saturday, July 11, at 2 o'clock p. m., for the purpose of placing in nomination a candidate for state senator from this district.

The basis of representation is one delegate from each county, and one additional delegate for each 100 votes or major fraction thereof cast at the last general election for T. L. Norval for supreme judge.

The counties of the district will be entitled to delegates as follows:

Boyd..... 4
Cass..... 2
Holt..... 17
Total..... 23

It is recommended that no proxies be allowed, but that delegates present cast the full vote of their delegation.

D. C. HARRISON, Chairman.

FRANK PHILLIPS, Secretary.

WELL, here's to Jack MacColl.

THE Randolph Times now issues a semi-weekly. This is enterprise, but it isn't business.

MEIKLEJOHN'S "step stone," by which he hoped to reach the senate, was moss-covered, wet and slippery.

THIS issue rounds off sixteen even years for THE FRONTIER and we still live and move and have our being. Sixteen years is a long time and has marked great changes in O'Neill and Holt county.

OUR friend Mathews, of Stuttgart, says THE FRONTIER has always been "a yellow dog organ"—that is, supported every man nominated by the republicans. THE FRONTIER once supported Mr. Mathews for the state senate.

THE Ainsworth Star-Journal claims to be the original McKinley newspaper in Nebraska. It has kept his name at the head of its editorial columns for three years. There ought to be a postoffice in that, surely.

A good many people are nursing the fond hope that the tariff issue has been sidetracked for the campaign, but it has not. An issue so important to the welfare of the industries of the United States cannot be sidetracked.

THE Beacon Light says the state chairman called the populist county convention, some time in April, and that the republican senatorial committee is to blame that the two conventions are called to meet in O'Neill on Saturday, July 11. We wonder by what authority the state chairman calls county conventions.

THE withdrawal of Judge Kinkaid from the congressional race was a sore disappointment to many of his friends in the district, as they looked upon him as the man to redeem this district from populism and other isms and place it back in the republican fold, but as they speed the parting they turn to welcome the coming man and will support him loyally.

THE chairman of the county populist central committee and the chairman of the republican senatorial central committee got together in O'Neill last week and decided that the republicans should have the court-house at 1 o'clock on Saturday July 11, instead of 2 o'clock. It therefore behoves the senatorial delegates to be on hand promptly at 1 o'clock in order that the work of the convention may be disposed of in the one hour granted to it.

THE editors of the Laurel Advocate and Dixon Tribune are scratching out one another's eyes all for "nothing." One said that the editors of this paper were talking of

establishing a branch office at Laurel, the other said it was not true, and thus the fight began. The matter doesn't amount to anything, but we think it time for us to turn mediator and set the boys aright. Something like a year ago the proprietors of this paper were importuned to put in a paper at Laurel, but after an investigation found the long felt want at that place pretty comfortably filled and dropped the matter.

DOC MATHEWS has bolted the nomination of McKinley and Hobart, ostensibly on account of the gold and protection planks of the platform, but really, we believe, as a move preparatory to getting back into bed with the spavined old democratic mule. You see Doc used to be a democrat in the days of his early manhood. In his ultimatum he says he has always been opposed to high tariff and in favor of bimetalism. While he may have been a bimetalist, the columns of this paper, which he one time edited, show that he is a dissembler on the tariff question. But then Doc is a candidate for the legislature with congress looming up beyond the firth of Bayou Meto and he must have votes. Does the end justify the means, Doc?

OUR esteemed friend and doctor of political philosophy, of the Custer County Republican, at Broken Bow, is considerably mistaken in his diagnosis as to the cause of our kick against the late county convention. THE FRONTIER had no "crowd" at the convention, neither was it asking for anything; and although the inditer of these lines was made a member of the senatorial delegation, also committeeman from his ward, and unanimously elected secretary of the county central committee for the sixth term, he kicks on the way the convention was run and protests against a lot of worn out politicians steering things to the detriment of the party. It is difficult for non-residents to fully comprehend the situation in Holt county, but we know that the time has arrived for a new deal.

THERE is not a very great difference between the Minneapolis and St. Louis platforms, on the money question, after all. The Minneapolis platform said "the American people from tradition and interest, favor bimetalism, and the republican party demands the use of both gold and silver as standard money." But it did not stop there; it went on to say: "With such restrictions and under such provisions, to be determined by legislation, as will secure the maintenance of the parity of the two metals, so that the purchasing and debt-paying power of the dollar, whether of silver, gold or paper, shall be at all times equal." That is exactly where the party stands today, on the St. Louis platform. People who supported the Minneapolis platform and bolt the one adopted at St. Louis are simply looking for a chance to get away.

THE advocates of free silver are prone to refer to holy writ to sustain their position, but they either do not know, or conceal the fact that King Solomon, the wisest of the wise men of those piping times, demonetized silver and held it as naught. The word as it is written says:

And all King Solomon's drinking vessels were of gold, and all of the vessels of the house of the forest of Lebanon were of pure gold, none were of silver: it was nothing accounted of in the days of Solomon.

And the king made silver to be in Jerusalem as stones.

So King Solomon exceeded all the kings of the earth for riches and for wisdom.

And all the earth sought to Solomon to hear his wisdom, which God had put in his heart.

King Solomon "exceeded all the kings of the earth for riches and for wisdom," and in his wisdom made "silver to be in Jerusalem as stones."

Free silver devotees should not weep so much about the crime of '73, but pour a few vials of their wrath upon the memory of Solomon. We do not advance this fragment of ancient history as an argument that silver should not be used as money, but merely to show that

when its advocates refer to the bible to bolster up their wobbling argument they may be hoist by their own petard.

Keep Up Your Scott's Emulsion in Summer-time

What are your resources for the summer? Have you an abundance of health stowed away for the long, hot, depleting days, or does summer find you low in vitality, run down, losing flesh, and weak? Scott's Emulsion of Cod-liver Oil will give you the proper reserve force, because it builds up the system on a solid foundation. A tonic may stimulate; Scott's Emulsion not only "boosts," it sustains.

It is a wise precaution always to have at least a small bottle of Scott's Emulsion in the house. Unopened, it will keep indefinitely. Tightly corked, after using, kept in a cool place, it will remain sweet for weeks.

It leaves the system as pure and free from nicotine as the day you took your first chew or smoke.

CURED BY "BACO-CURO" AND GAINED THIRTY POUNDS.

From hundreds of testimonials, the originals of which are on file and open to inspection, the following is presented: Clayton, Nevada Co., Ark., Jan. 28, 1895. Eureka Chemical & Mfg. Co., La Crosse Wis.—Gentlemen: For forty years I used tobacco in all its forms. For 25 years of that time I was a great sufferer from general debility and heart disease. For fifteen years I tried to quit, but couldn't. I took various remedies, among others "No-To-Bac." "The Indian Tobacco Antidote," "Double Chloride of Gold," etc., etc., but none of them did me the least bit of good. Finally, however, I purchased a box of your "Baco-Curo" and it has entirely cured me of the habit in all its forms, and I have increased 30 pounds in weight and am relieved from all the numerous aches and pains of body and mind. I could write a quire of paper upon my changed feeling and condition. Yours respectfully,
P. H. MARSH, Pastor C. P. Church, Clayton, Ark.
