QUERY: Is Doc Mathews responsible for the democratic victory in Arkansas.

The speeches of Candidate McKinley appeal to man's reason; Candidate Bryan's to their passion and prejudice.

It organized labor takes the advice of two of its ablest leaders—Arthur and Powderly—it will vote solidly for McKinley.

OADY accepted Bill Green's challenge, and now William wants to back out. He is afraid of the little giant of the Sixth, who is leading the republicans to victory.

JUDAS SCOTT spoke at Dakota City last week. The Dakota County Democrat, an ardent popocrat paper, said his speech was erratic. Quite an admission for a free silver man to make.

VERMONT, the Green Mountain state, gave a republican majority of 39,000. Nebraska, the Golden Rod state, will go them one better in November, and will give a majority of 40,000 for McKinley, and the entire state ticket.

THE O'NEILL SUN says that Bourke Cochran was paid \$50,000 for his Madison Square garden speech, and the South Sioux City Democrat says it was only \$2,000. This is a sample of the argument these papers dish up in support of Bryan and repudiation.

GEORGE McEVON, the "gifted (?) Irish orator," has come and gone. He did not deliver an oration (?) in O'Neill as advertised, having been called off by the state committee upon advice from this city after his brilliant failure at Page. Whoever told Mr. McHugh that he was a great political orator should be prosecuted for imposing upon his credulity. All his dates in this section were cancelled and he returned to his home a sadder, but let us hope, a wiser man.

L. P. GLASSBURN, nominee for state senator from the Thirteenth district, will make a clean canvass of the district. He is not a calamity howler, and sees everything in its true light. He is a man that is well liked in this county, where he lives. He is interested in farming and stock raising, and has made a success of it, and has laid up something for a rainy day during a democratic administration, drought, and the calamity howler. His opponent needs nothing laid up, his stock in trade is chiefly wind, and he has no trouble to keep a supply on hand in Nebraska. Mr. Glassburn should receive the entire vote of the district.—Wheeler County News.

The republicans of the Thirteenth senatorial district have made a wise choice in selecting their standard bearer. L. P. Glassburn will be a credit to his constituents and the state, and he generally gets what he starts after.—Taylor Clarion.

WE GAIN IN ARKANSAS. The result of the Arkansas elections of last Monday shows a republican gain over 1892 of about 6400, and a republican gain over 1894 of about 14000. The total vote cast was about 24000 over 1892, and about 54000 over 1894. Every one conceded it would go democratic, but the free silver men expected that the result would show a big shrinkage in the republican vote. Instead of this the republicans have gained, and their percentage of the total vote shows an increase of about one per cent. over 1892, and about two per cent. over 1894. The following is the vote:

	1892	1894	1896
Republican	38644	26085	40000
Democrat	90115	74899	128000
Populist	31117	34541	18000
Prohibition	1810	1551	3080
	106186	109686	180000

Republican percentage of total vote each year: 1892, 31%; 1894, 20%; 1896, 22%.

The republicans have more than held their own of the increase in the total vote cast, while the populists have very nearly been absorbed by the democrats.

RESULT OF FREE TRADE IN ENGLAND.

George B. Curtis in his great tariff history, "Protection and Prosperity" after showing in the most complete manner the origin of the free trade movement in England, its success and results and giving a mass of testimony before the Royal commission concludes as follows:

Never was such an indictment framed against an economic policy. A similar condition of the working classes is not to be found in any civilized country on the face of the globe. Were the foregoing statements contained in reports of the United States consuls, or in letters written by the most trustworthy and candid protectionists, they would be denounced and discredited by every professional free trader in the world. But coming as they do, from an official report to the British parliament, from men who were held in such high esteem by the government as to appear worthy of executing such an important trust, they cannot be questioned. The report is above impeachment. The facts set forth are more appalling because they are true. "Throughout the whole kingdom one person out of every four or five is buried by the parish." What a fact to contemplate! "Of all who survive to the age of seventy, one out of every three is a pauper." Death at middle life is better than old age. Yet, even then, a pauper's grave is the lot of one out of five. No amount of accumulated wealth centered in the hands of a few, can compensate a nation for such a condition of the masses. A vast commerce, innumerable ships visiting every harbor in the world, are dumb and speechless as expressions of national growth and prosperity, when the harbors from which they are sent and the country whose flag flies at their masthead, are festering with destitution and despair. The loud boastings of the champions of a policy under which such conditions exist cannot long drown the voice of multitudes pleading for work.

Twenty Years....

For more than twenty years we have been telling how Scott's Emulsion overcomes the excessive waste of the system, puts on flesh, nourishes and builds up the body, making it the remedy for all wasting diseases of adults and children, but it isn't possible for us to tell the story in a mere stickle of newspaper type.

We have had prepared for us by a physician a little book, telling in easy words how and why Scott's Emulsion benefits, and a postal card request will be enough to have it sent to you free. To-day would be a good time to send for it.

DON'T STOP TOBACCO

HOW TO CURE YOURSELF WHILE USING IT.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco, to an inveterate user, becomes a stimulant that his system continually craves. "Bacco-Curo" is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1873, without a failure. It is purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want while taking "Bacco-Curo." It will notify you when to stop. We give a written guarantee to cure permanently any case with three boxes, or refund the money with 10 per cent. interest. "Bacco-Curo" is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke.

GUARANTY BY "BACCO-CURO" AND GAINED THIRTY POUNDS.

From hundreds of testimonials, the originals of which are on file and open to inspection, the following is presented: Clayton, Nevada Co., Ark., Jan. 28, 1895. Eureka Chemical & Mfg. Co., La Crosse Wis.—Gentlemen: For forty years I used tobacco in all its forms. For 25 years of that time I was a great sufferer from general debility and heart disease. For fifteen years I tried to quit, but couldn't. I took various remedies, among others "No-To-Bac," "The Indian Tobacco Antidote," "Double Chloride of Gold," etc., etc., but none of them did me the least bit of good. Finally, however, I procured a box of your "Bacco-Curo" and in all its forms, and I have increased 30 pounds in weight and am relieved from all the numerous aches and pains of body and mind. I could write a quire of paper upon my changed feeling and condition. Yours respectfully, P. H. MARSH.

Pastor C. P. Church, Clayton, Ark. Sold by all druggists at \$1.00 per box; three boxes, (thirty day's treatment), \$2.50 with iron-clad, written guarantee, or sent direct upon receipt of price. Write for booklet and proofs. Eureka Chemical & Mfg. Co., La Crosse, Wis., and Boston, Mass. 06115tem.
