During this great campaign people want newspapers and want them while they are fresh and new. The Semi-Weekly State Journal, Lincoln, Neb., supplies the demand, as it will be mailed twice a week from now until January 1, 1897, for only 25 cents, or from now until January 1, 1898, for one dollar. The twenty-five-cent proposition takes you all through the campaign, gives you the election returns, and through the balance of this year. A dollar for the great twice-a-week paper from now until January 1, 1898, is the biggest offer ever made to readers. All through the campaign, all through the Nebraska legislature, the congresses and the inauguration of a new president. Never since the war has so many incidents of vital interest to the masses been crowded into sixteen months, as there will be during this period. The Semi-Weekly Journal is almost as good as a daily. Send your order direct or give it to your postmaster.
