

ATKINSON ITEMS.

VERNE McDONALD, Editor.

Verne McDonald is authorized to act as our agent and correspondent at Atkinson. He is authorized to solicit subscriptions, advertising and job work, and collect and receipt for the same. Atkinson business men will find THE FRONTIER a good advertising medium, as it has a large and growing circulation in the territory that is tributary to that city. Any favors shown Mr. McDonald will be greatly appreciated by the management.

EDITOR FRONTIER.

To the Atkinson Readers.

Atkinson being the strongest republican precinct in the county it is only just that she should have republican newspaper representation, and as the disposal of the Graphic has revived her of that, the O'Neill FRONTIER has assigned this department of the paper to her use.

It is understood that this department is entirely for Atkinson, and is to be used for her benefit and advancement just as fully as if published within her limits, and I assure you that should I at any time feel inclined to make any comments on or about O'Neill, I should do so as fully as if they were to be published in an Atkinson paper, although, of course, it is to be hoped that O'Neill will conduct herself in such a way that she will not need any "jacking up." I trust that in the near future Atkinson will have a republican paper of her own.

V. W. McDONALD.

Supervisors Moss, Conger and Combs were at Grand Rapids Saturday inspecting the new bridge across the Niobrara. The bridge is nearly completed and will be opened to the public in a few days.

Rev. Haner, who will act as pastor of the Presbyterian church here for the coming year, will leave Rapid City, S. D., for Atkinson, with his family, next Tuesday. His coming will be welcomed by the people of Atkinson.

The fight for the appointment of postmaster at Atkinson is now on. So far Mrs. Lucia A. Perry, Col. B. W. Johnson, W. E. Scott and Dr. J. L. McDonald have entered for the prize. Mrs. Morse is also circulating a petition, asking that she be allowed to hold out the balance of her term.

The Boyd county farmers are still hauling grain and hogs to Atkinson. They were not long in finding the best market, and they are sharp enough to stay with a good thing when they have found it.

Anton Wosterchill is now the champion fisherman of Atkinson, he having won that title by catching two fine pickeral Monday afternoon, the larger one weighing 8 1/2 pounds, and the smaller one over 5 pounds.

The Atkinson creamery shipped 68 tubs, or 4080 pounds, of butter last week. The patronage is increasing and the butter is selling at the top price. The management should be complimented on their good work.

Strawberries are now ripe, and Jas. Brook and Arch Walrath are supplying some very fine fruit. Mr. Brook estimates that his patch will yield about three thousand quarts, and figures that the early frosts killed about half of his berries.

Last Sunday was Children's day at the Presbyterian church, and the exercises were greatly enjoyed by all present, the children taking part doing exceptionally well. The committee that decorated the church should be highly complimented for their artistic work.

Mr. Churchill is just recovering from a severe illness, and is taking this outing by order of his physician, who also accompanies him. He expects to pass through Atkinson on his return.

The base ball game Wednesday, June 9, between the Atkinson and Stuart "Kid" nines resulted in a decided victory for Atkinson. The Atkinson kids play a great game, and it would be hard to find a nine of their size that could beat them. They have challenged the O'Neill kids and it is to be hoped that they will get a game. The score with Stuart was as follows:

Stuart— 0-0-0-3-1-0-2-2-0-8.
Atkinson—6-5-8-1-2-0-0-2-24.

Mrs. J. E. Allison returned Saturday night from Omaha where she has been for eight weeks under the care of Dr. C. C. Allison, at the Presbyterian hospital. She has undergone an operation which it is hoped will permanently restore her health, but from the effects of which she has not yet entirely recovered. She was accompanied home by Miss Addie Burleson, her sister, who has just closed a successful term as principal of the Presbyterian kindergarden school at Madison, Wis.

Miss Gertrude Burleson and Mr. Ben D. Sherwood were married at the home of the bride's parents last Wednesday morning, June 16, at 7:30 o'clock. The ceremony was a very simple and quiet one, being performed by Rev. Robert Blackburn, in a parlor tastefully decorated with choice flowers. Only the immediate relatives of the contracting parties were present. A dainty breakfast was served after the ceremony, after which Mr. and Mrs. Sherwood left for a short trip east. Both of the contracting parties are well and favorably known, and have the best wishes of a host of friends. Mrs. Sherwood is the daughter of Judge Burleson, and Mr. Sherwood was for a number of years a resident of this place and engaged in the lumber and coal business. The Discovery Saved His Life.

Mr. G. Callouette, druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with grippe and tried all the physicians for miles about, but was of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Corrigan's drug store.
