duly published and proclaimed, do hereby avow and declare the debt incurred by the voting of said bonds for the purpose aforesaid to be a just and honest debt and a sacred obligation which must be met and honorably discharged by the taxpayers and citizens out of the property of said township, and for which a full and adequate consideration has been duly received and which is hereby acknowledged. That we abhor, detest and oppose and most solemnly and emphatically denounce the attempted repudiation of this honest debt which is sought by the officials of Grattan township at the present time in the courts of the United States, as it is our sincere and honest desire now and at all times to pay, liquidate and fully satisfy any and all honest obligations pecuniary or moral, honestly incurred by said township. And be it further

Resolved, That we, as taxpayers of said township, hereby instruct our township board to abide by the decision of the United States circuit court, recently rendered at Omaha, in the case involving the validity of the Grattan township bonds, and we hereby further instruct said board to neither take nor permit to be taken an appeal in said case to the end that our honor and integrity as an honest and law abiding community be preserved unscathed, and that the further burdensome expense of litigating this matter immediately cease. Resolved, That a copy of these resolutions and the proceedings of this meeting be filed in the office of the township clerk of Grattan township."

ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second is from careless local treatment of other diseases.

CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or settling indicates kidney or bladder trouble. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy, is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and a pamphlet, both sent free by mail. Mention THIS FRONTIER and send your address to Dr. Kilmer & Co., Binghamton, N. Y. W. M. Repine, editor Tiskilwa, Ill. Chief, says: "We won't keep house without Dr. King's New Discovery for consumption, coughs and colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for coughs, colds, whooping cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery.
