RESOLUTIONS OF CONDOLENCE.

Hall of the Mayflower Camp No. 386, Royal Neighbors of America.

O'NEILL, NEB., Jan. 12, 1898.

WHEREAS: The all-wise and merciful Creator, to whom all mortals owe obedience and love, has called home the soul of our beloved neighbor, Mrs. Drusie Dickson, at a period in her earthly career when life to the mother's soul is most precious, amid the realization of fond hopes and dreams, therefore, be it

Resolved, That we, the members of Mayflower Camp No. 386, Royal Neighbors of America, extend to our bereaved neighbor, Mr. R. R. Dickson, the honored husband of our departed friend and neighbor, our heartfelt sympathy in the sad loss of his estimable wife and infant son, and when the eternal summons comes to him as it must to all, we hope that intercessions made before the throne of the heavenly Father by those angels of his household who have preceded him will assist in reuniting them in the kingdom where sorrow is unknown and peace and love prevail eternally.

Resolved, That our charter be suitably draped with mourning for a period of thirty days; these resolutions incorporated into the minutes, published in the local papers, and a copy bearing the seal of this lodge be presented to the bereaved husband.

SCHOOL NOTES.

Examination week is here again.

Mrs. Clark visited Miss Daly's room Monday.

Mr. Woodruff was a visitor in several rooms Tuesday.

The teachers have decided to make an exhibit at the trans-Mississippi exposition and Mr. Whelan has sent in an application for space.

Miss Daly enrolled two more pupils this week, making a total of 68.

A picture of the boys' and girls' building at the exposition adorns the hall down stairs.

In composition work this week the eighth grade took trips to different places. Klondike was a favorite among the boys as several made trips to that much-talked-of Eldorado. One boy went to Cuba, and described the starving condition of the people in their struggle for independence; and another went hunting in the jungles of Africa. The girls were more lofty in their imaginations; one went to the moon, and another to Mars, where she found an ideal form of government—they had woman's suffrage.

The class in literature in the high school is reading Bacon's Essays. The following quotations are from the essay, "On Studies": "Read not to contradict and confute, nor to believe and take for granted, nor to find talk and discourse, but to weigh and consider." "Some books are to be tasted, some to be swallowed and some few to be chewed and digested." "Reading maketh a full man, conference a ready man and writing an exact man."

MCLEAN AGAIN.

Sioux City Times: From New York comes the surprising information that Donald McLean is receiving encouragement and support in his promotion of the Pacific Short Line extension from no less a corporation than J. Kennedy Tod & Co. There appears to be no doubt that some sort of an alliance has been formed between the promoter and this great firm of bond brokers. The intelligence is given by a Sioux City attorney, who recently spent several days in New York. The attorney says that in the contingency of the Credits Commutation company winning its suit against J. Kennedy in the supreme court of the United States this month, the union between McLean and the Tod interests probably would be dissolved.

"But that occurrence is not looked for in New York," said the attorney. "It is believed there that the Tods will continue to hold the securities of the Sioux City, O'Neill and Western and the Sioux City and Northern railways. In the event that the Short Line comes into the full possession of J. Kennedy Tod & Co., or the powerful interests they represent, it will not be long until the road is pushed on from O'Neill either to an independent terminus or to a connection with some transcontinental system.

"Anyone who has a thought of extending the Short Line will negotiate with Donald McLean, for the simple reason that he has a survey to the coast which could not be duplicated."

ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second is from careless local treatment of other diseases.

CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or settling indicates kidney or bladder trouble. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy, is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and a pamphlet, both sent free by mail. Mention THE FRONTIER and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

J. A. Perkins, of Antiquity, O., was for thirty years needlessly tortured by physicians for the cure of eczema. He was quickly cured by using DeWitt's Witch Hazel Salve the famous healing salve for piles and skin diseases.—Hershiser & Gilligan.

Mrs. M. B. Ford, Ruddell's, Ill., suffered for eight years from dyspepsia and chronic constipation and was finally cured by using DeWitt's Little Early Risers, the famous little pills for all stomach and liver troubles.—Hershiser & Gilligan.

Miss Allie Huges, Norfolk, Va., was frightfully burned on the face and neck. Pain was instantly relieved by DeWitt's Witch Hazel Salve, which healed the injury without leaving a scar. It is the famous pile remedy.—Hershiser & Gilligan.

Mrs. Stark, Pleasant Ridge, O., says, "After two doctors gave up my boy to die, I saved him from croup by using One Minute Cough Cure." It is the quickest and most certain remedy for coughs, colds and all throat and lung troubles.—Hershiser & Gilligan.

O. W. O. Hardmar, when sheriff of Tyler county, W. Va., was at one time almost prostrated with a cold. He used Chamberlain's Cough Remedy and was so much pleased with the quick relief and cure it afforded him, that he gave the following unsolicited testimonial: "To all who may be interested, I wish to say, that I have used Chamberlain's Cough Remedy and find it invaluable for coughs and colds. For sale by P. C. Corrigan, druggist."

TRAVELING IN WINTER.

Is very unpleasant, and one is always anxious to get to his destination as quickly as possible. Passengers to and from the Black Hills will, therefore, appreciate the fact that they can save over two hours' time in each direction, to and from Sioux City, by going via O'Neill and the Pacific Short Line. Connections daily except Sunday. Buy local tickets to and from O'Neill. Same fare.

The Greatest Discovery Yet.

W. M. Repine, editor Tikilwa, Ill., Chief, says: "We won't keep house without Dr. King's New Discovery for consumption, coughs and colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for coughs, colds, whooping cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at P. C. Corrigan's drug store.

Woman's Ills

are as often caused by kidney disease as by affections of the womb. Among the most certain symptoms of this disease are Backache, Rad Complexion, A Tired Feeling, Depressed Spirits, Headache, Nervousness, Sickness, Neuralgia, Too Frequent Urination, Dragging Pains, etc.

CURED

After Years of Suffering She Finds Relief. "I can heartily recommend your Sparagus Kidney Pills to any woman afflicted with those distressing pains in the back and sides, and kidney weakness, for they have cured me. For several years I have been troubled with backache, bearing down pains and urinary trouble. Nothing succeeded in relieving me until I got a box of your pills. I began to feel better the first few days, and never felt better in my life than I do now."

Sympathetic Husbands.

The sympathetic tenderness of a loving husband is everything to an expectant mother, especially during her first ordeal. George Layton, Esq., a prominent druggist of Dayton, O., gives the following case:

A customer of mine, whose wife has used four bottles of "Mother's Friend" before confinement, says, after seeing the effects of the remedy, that if she had to go through the ordeal again, and there were but four bottles on the market, and the cost was \$100 per bottle, she would have them.

"Mother's Friend" is a scientifically compounded liniment which affords certain relief in the various ailments preceding childbirth, and assures proper elasticity to the cords and muscles involved in the final ordeal.

"Mother's Friend" is sold by druggists, or expressed on receipt of one dollar.

Any one might know, from glancing over the fashions displayed this month in that popular publication, the Standard Designer, that winter was on the wane. Heavy wraps and gowns are replaced by dainty and stylish creations that foretell the approach of spring as surely as the almanac. There are eighty-five handsome designs given of garments suitable for ladies, misses, girls, children and men, besides four artistic color plates, and numerous illustrated suggestions for trimming, etc. The literary portion of the book is replete with articles—many of them illustrated, that are of interest to every one. To recount all these would require too much space, but especial mention must be made of "Home-Made Valentines," telling how to manufacture charming novelties in this line; "To Conquer Stubborn Locks," giving illustrated directions for the arrangement of little folks' tresses; "The Chainless Wheel," of especial interest to bicyclists, and "The Arts of Beauty," embodying suggestions for the enhancing of feminine charms. The February Standard Designer will be, as always, a welcome visitor.
