THREE DOCTORS IN CONSULTATION.

"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place, what reason (i. e., Theory) says is best is to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consulation together, they will give you the best advice that can be taken."—Benjamin Franklin. When you have a bad cold Dr. In-

clination would recomend Chamberlain's Cough Remedy because it is pleasent and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. She continued its use and after taking six bottles found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this great discovery at P. C. Corrigan's drug store. Large bottles 50 cents
