A Wife Says:

"We have four children. With the first three I suffered almost unbearable pains from 12 to 14 hours, and had to be placed under the influence of chloroform. I used three bottles of *Mother's Friend* before our last child came, which is a strong, fat and healthy boy, doing my household work up to within two hours of birth, and suffered but a few hard pains. This liniment is the grandest remedy ever made."

Mother's Friend

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a mistake to be paid for in pain and suffering. *Mother's Friend* equips the patient with a strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves morning sickness and nervousness. It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard breasts is altogether avoided, and recovery is merely a matter of a few days.
Druggists sell *Mother's Friend* for \$1 a bottle. The Bradford Regulator Co., Atlanta, Ga. Send for our free illustrated book.

THE SHORTEST ROUTE TO SIOUX CITY is via O'Neill and the Pacific Short Line. Connections made both ways daily, except Sunday. No layovers—over three hours in each direction. You, and each of you, will take notice that on the 16th day of August, 1899, Charles E. Gibson, defendant and cross-petitioner, filed his cross-petition in the district court of Holt county, Nebraska, against said defendants, the object and prayer of which cross-petition are to foreclose a certain mortgage executed by the defendant, Henry Ebrecht, while he was yet a single man, to J. H. Keith trustee, and Eugene Westervelt, beneficiary, upon the south-west quarter of the north-west quarter and the north-west quarter of the south-west quarter and the south half of the south-west quarter of section thirty-one, in township thirty-one, north, of range sixteen, west of the sixth P. NEVILLE FRAUD IS EXPOSED

(Continued from first page.)

by them or not.
I attended the last convention as a democrat, and am perfectly willing, if the democrats wish another convention called to renominate in your place, to call the same if the committee will indicate their desire on the subject.

I am sorry, Mr. Harrington, that you did not make the race, and I am also sorry to be obliged to decline to do what you apparently wish me to do. I do not understand, of course, how it is in human nature for you to sincerely desire this, as, if you will take warning by what I say, there is nothing in the future for you to expect by being a party to this trade between a few democrats and populists, no matter what their profession may be.
I will be very glad to hear from you further in this matter and if I can in any way serve you will be glad to do so. Yours very truly,
JUAN BOYLE.

As will be seen I offered in this letter to call together a convention where the democrats would have the privilege of deciding who should be named on the ticket. I received no reply to this, but my attention was called to a call made by Mr. McNeel, secretary of the committee, for last Monday to be held in North Platte. I received no notice by mail or wire as to this committee meeting, but I went to North Platte to look after the interests of the democrats of the district. Mr. McNeel and myself were the only persons present. At five o'clock, after waiting all day for some one of the committee to appear, we issued a notice to the democrats of the district and sent the same to the World-Herald and Bee, saying that the democrats could vote as they pleased, committee was not authorized to act, as none was present. At 6 o'clock p. m. a Mr. McEvoy appeared on the scene and wanted me to call the meeting to order. I declined to do so, as the committee number thirty and he was only one-thirtieth of the number. I saw I was very distasteful to him so told him I would resign, which I did, placing my resignation in the hands of Mr. McNeel to be handed in when the committee would meet. McEvoy has placed a certificate on file at the state house, placing the name of Mr. Neville as our candidate. This is contrary to law and to the usages of the democratic party for one man to assume to be chairman and committee. The party is controlled by the majority. I protest against it, and if we are to have a party in the Sixth district now is the time to assert ourselves. Mr. McEvoy had a few letters from members of the committee advising Neville's name be placed on the ticket through the committee, but in almost every case they were men who had received nominations in the counties for the so-called fusion ticket, for coroner or some other office and wanted Neville to help them through. Mr. Neville, I see by a notice in the World-Herald, denies the writing of a letter showing him as advocating expansion, but says his brother wrote it, but I am informed by Mr. Minor and Mr. Harrington of North Platte that they heard Neville in a speech a short time since declare himself in favor of expansion. Mr. McEvoy says man may change his mind. This is true, but he may change it again at Washington if he should be elected.

Our convention at Lexington was, with few exceptions, a representative body of rock-ribbed democrats, the exception being a few court reporters and those receiving pap from pop judges and at the state house. Let us be democrats and not recognize this fraud and let the gentlemen at Lincoln and Omaha understand that hereafter they must make us acquainted with their trades before we call our convention and have to travel hundreds of miles to fulfill our duty to the party, and when we do nominate a clean, honorable gentleman as our candidate, not to be ordered by those out of our party, as well as some in it to take him off our ticket.
Believing I am acting in harmony with the wishes of all honest, honorable democrats in the Sixth district, I will make the contest of this placing Mr. Neville's name on the democratic ticket, and hope that in the future we will be permitted to act without the interference of any other parties outside our district. In our votes on election day let us shuck corn or vote for Mr. Harrington although he is not on our ticket, so as to show our loyalty to the democratic party. Mr. McNeel, our secretary, informed me that there was no record whatever of a resolution having been passed to place the name on the ticket although he had every other record of every motion and resolution passed. Respectfully,
JUAN BOYLE.

I most cheerfully recommend it to the public." For sale by P. C. Corrigan, druggist.

During the winter of 1897 Mr. James Reed, one of the leading citizens and merchants of Clay, Clay county, W. V., struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whiskey in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Pain Balm is unequalled for sprains, bruises and rheumatism. For sale by P. C. Corrigan, druggist.
