Relied on Bu et's Obstinacy. A London paper says that General Buller was once in company with Lord Charles Beresford coming down the Nile, and as their boat approached the first cataract a sharp discussion arcse as to which was the proper channel to take. The soldier advised one, the sail another, but in the end Buller's channel was followed, with perfect success. "You see, I was right," the general exclaimed, exultantly. "What of that?" retorted Beresford; "I knew it was the right one myself, and I only recommended the other because I knew you would oppose whatever I said."

I Look 25 Years Younger

"I am now seventy-two years of age and my hair is as dark as it was twenty-five years ago. People say I look at least that much younger than I am. I would be entirely bald or snowwhite if it were not for your Hair Vigor." - Mrs. Anna Lawrence, Chicago, Ill., Dec. 22, 1898.

Sea Ports.

The memory of man runneth not back of the time when seaport towns and cities did not exist, thrive and flourish. There is a new and promising one growing up down south which bids fair to soon enjoy great commerce. It is La Porte, at the head of Galveston Bay on the gulf coast of Texas. A magnificent natural land-locked harbor already exists and extensive docks, wharfs and terminals are being constructed. The government is to deepen Galveston Bay, affording a 26foot channel into the splendid fresh water harbor bay of San Jacinto. As Newport News is to the Atlantic coast. and Duluth and Superior are to the inland seas, so La Porte is to be to the south.

France's Civil Power.

That the backbone of the army's power in France was broken by the trial of Dreyfus is shown in the reorganization of the French colonies in West Africa. Therein the civil authorities have triumphed. A portion of the Soudan is to be joined to each of the four contiguous colonies and what remains is to be divided into two military districts, but the whole region will be under the control of a governor general, whose powers will be equal to those of the viceroy in India, and whose headquarters will be St. Louis, the capital of Senegal.

And light dressings of CUTICURA, purest of emollient skin cures. This treatment at once stops falling hair, removes crusts, scales, and dandruff, soothes irritated, itching surfaces, stimulates the hair follicles, supplies the roots with energy and nourishment, and makes the hair grow upon a sweet, wholesome, healthy scalp when all else fails.

Millions of Women

Use CUTICURA SOAP exclusively for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and healing, red, rough, and sore hands, in the form of baths for annoying irritations and chafings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet. bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients, and the most refreshing of flower odors. No other medicated soap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines, in ONE SOAP at ONE PRICE, viz., TWENTY-FIVE CENTS, the BEST skin and complexion soap, the BEST toilet and BEST baby soap in the world.

All that has been said of CUTICURA SOAP may be said with even greater emphasis of Cuticura Ointment, the most delicate, and yet most effective of emolli-nts, and greatest of skin cures. Its use in connection with Cuticura Soap (as per directions around each package), in the "ONE NIGHT CURE FOR SORE HANDS," in the "INSTANT RELIEF TREATMENT FOR DISFIGURING ITCHINGS AND IRRITATIONS," and in many uses too numerous to mention, is sufficient to prove its superiority over all other preparations for the skin.
