THE SUBSIDY MEASURE

The Senate Will Continue to Wrestle With It This Week.

SPECIAL SPEECHES ARE PROMISED

Allison May Inject Appropriation Bills for Senate's Consideration Wednesday and House Will Have Them Up All Week—The House.

WASHINGTON, Feb. 4.—The senate will continue its discussion of the ship subsidy bill during the first half of the present week, with probable interruptions during the morning hour of each day. There probably will be a movement to secure night sessions on the bill Monday or Tuesday and other strenuous efforts will be made to secure a vote upon the bill.

If it should appear probable that the end of the discussion is still not in sight Senator Allison on Wednesday will ask the senate to take up the bill making appropriations for the District of Columbia for the next fiscal year. This appropriation bill will be debated for several days and when its consideration is concluded there will be other appropriation bills requiring attention.

The earlier part of the day Monday will be given to the ceremonies in honor of the memory of Chief Justice Marshall and Senator Bacon has given notice that he will ask the attention of the senate to some remarks of his upon the resolution introduced by himself declaring the right of the senate to demand and receive all papers on file in the executive departments. He will speak at length upon that question and if he should conclude during the day he will be followed by one of several extended speeches on the subsidy bill, which are still in reserve. Senator Teller is counted on for another speech, and in case of a night session Monday night probably would undertake to speak the session out. It is expected that Senator Caffery will talk Tuesday.

The democrats do not hesitate to say that in case night sessions are ordered they will demand that a quorum shall be maintained. On Saturday eulogies will be delivered in honor of the late Representative Harmer of Pennsylvania. The house will continue the consideration of appropriation bills this week. The postoffice appropriation bill is not yet completed. It will be followed by the consular and diplomatic and the sundry civil bills, which last will be reported to the house tomorrow.

The bills to promote the efficiency of the revenue cutter service and to establish a national standardizing bureau and conference reports will consume whatever time remains.

Sheriff of Dallas, Tex., Confident He Has the Man Wanted

DALLAS, Tex., Feb. 4.—Sheriff Johnson is more positive than ever that H. C. Henderson, the man he lodged in jail yesterday, is one of the Cudahy kidnapers. He did not let his prisoner know until last night the real charge against him. When he was told that he was held as a Cudahy kidnap suspect he showed much uneasiness. He walked his cell all night and did not sleep a wink. The sheriff states that he has learned that on Friday before Henderson had \$1,000 in a package. When arrested Henderson had only 15 cents in his pocket's. The prisoner declines to make any statement concerning his financial affairs, or how he came to have a picture of Pat Crowe in his trunk. TO MIB MRS. NATION.

Rough Element of Kansas Towns Hatches Plot of Tar and Feathers.

KANSAS CITY, Feb. 4.—A special to the Times from Topeka, Kan., says: "The rough element of Kansas towns hatches a plot on the part of the liquor men to tar and feather Mrs. Carrie Nation, the first woman who once defied, and gave him the tip, a national scandal is making an investigation."

The report has frightened Mrs. Nation and her sister cousins, but they declare that they will continue the work of destroying "mud-rain soaps." They met at 9 o'clock this morning at Mrs. Nation's room and held a season of prayer, asking the Lord to protect them from bodily harm in the discharge of what they termed their duty to the community.

Mrs. Nation braved the storm today and made three temperance speeches in Wesleyan Methodist church in the forenoon, in the Christian church in the afternoon, and in the Lowman Hill Methodist church in the evening.

A recruiting office for the Topeka brigade, Kansas division, Carrie Nation's army, has been opened. Three hundred "soldiers" have signed the roll, mostly women. The program for the defenders is to march down Kansas avenue at 2 p. m., tomorrow, with drums and flags flying, and hold prayer meetings in front of every joint.

Mrs. Nation says that it was the intention of the home defenders to smash joints tomorrow, but this feature of the crusade may be postponed for a few days to enable secret service agents to inquire into the story that armed men are guarding the joints. Mrs. Nation says she does not mind a shotgun, but she does not want to lead other women to their death.

Postmaster Guthrie says Mrs. Nation receives more mail than any bank in Topeka. Many of the letters contain money, and it is said that Mrs. Nation already has put aside \$500 to help carry on the liquor war.

He said that the great transaction would not affect present traffic arrangements. In conclusion, Mr. Burt outlined the improvements of the Union Pacific roadbed and important changes which are being made on the main line in Wyoming, where are the heaviest gradients and curvatures. About 200 miles of this section have been practically rebuilt, materially reducing the grades. In another two years still more changes on the divide and the Salt Lake section in western Utah will be completed. The road will be shortened about thirty-four miles, making the distance between Council Bluffs and Ogden practically 1,000 miles.

PRESIDENT OF PRESIDENTS.

A Distinguished Lady Inducted, Is Mrs. Mary E. Poole, of Whiting, Ind.

Whiting, Ind., Feb. 4, 1901.—(Special.)—The Presidents of the Ladies of the Grand Army of the Republic have an association composed exclusively of the Presidents of the different State Associations. This Presidents' Association chooses a President, and to this very high and distinguished position Mrs. Mary E. Poole of this place has been elected. Mrs. Poole is thoroughly deserving of this great honor. Her devotion to the interests of the Association is very marked, and her experience with the old soldiers of the G. A. R. is wide. Mrs. Poole is never slow to take advantage of anything that may benefit the veterans, and her zeal has resulted in much that is good to these grand old men. She writes of her experiences: "Honor to whom honor is due, and having seen the numerous cures effected through the use of Dodd's Kidney Pills, I gladly endorse them as being particularly effective to cure that dreaded disease of so many of our old soldiers, Bright's Disease and Kidney Disorders of different kinds. Kidney Disease soon poisons the entire system, and as a result the vital organs are attacked, and I have found that no remedy so surely, completely and quickly finds the weak spot and heals it as Dodd's Kidney Pills."

"I have used them myself in slight attacks of biliousness and indigestion, and usually find that from three to four pills do the work."

Such evidence from a lady of so much distinction and experience should convince any sufferer from Kidney Trouble that Dodd's Kidney Pills is the remedy that never fails. 50c a box, six boxes for \$2.50.
