The coming municipal elections are
agitating the political minds of some
of our eastern sisters, such as Norfolk
and Lincoln, but so far everything is
calm and serene in the political
field of the Emerald tinted city.

In fifteen years, 1885 to 1900, Italy
spent on her fleet \$300,000,000, and yet

years \$298,000,000 was expended.

The Frontier furnishes them, hence we

want a first class bill, or in fact fine

dition and would make a good estab-
lishment for some sort of a factory.

Our distinguished townsman, M. F.
Harrington, was invited to address the
Nebraska legislature on the subject of
railroad rates, which he did. After
having control of Nebraska, legislatively
and executive, for the past ten years
without turning a hand to right the
railroad wrong, the pops now are telling
republicans what to do.

Peoples News: Charles Hemstreet's
new automobile will make its first trip
between Niobrara and Verdigris on or
about March 1. Charley will surely be in
it, when by the speed of the automobile
the time between the two points is
shortened a half hour. The News will
watch with interest the development of
the enterprise. The idea is a good one
and we trust it will be a paying invest-
ment.

Joe Davis received word last week
that his sister, Miss Kate Davis, one of
the leading operatic singers in this
country, died at her home in Washing-
ington, D. C., a couple of weeks ago as
the result of a stroke of paralysis.
Miss Davis was a star of the first mag-
nitude and for three years was leading
lady for Pauline Hall in her famous
operatic company. She visited O'Neill
about ten years ago and made many
friends while visiting her brother here
who will regret to hear of her demise.

Present indications point to a boom in
house building in O'Neill this spring—
the boom has already commenced, in
fact. Besides those already mentioned
in this department, The Frontier un-
derstands that T. V. Golden contemplates
the erection of a house on the lot south
of the Lowrie place, which he will build
for the purpose of renting. E. Adams
expects soon to build an addition to his
house in the eastern part of town. Others
also are talking of building, and it
looks very much like O'Neill would en-
joy a greater building boom this spring
than it has for a number of years.

Fifty seven years ago today, February
28, 1844, President Tyler and a large
party sailed down the Potomac on the
man-of-war Princeton to see Commodore
Stockton's "Peacemaker" throw 200-
pound balls. The "peacemaker" exploded
and many people were killed, among
them two members of the President's
cabinet, Judge Abel P. Upshur, secre-
tary of state and Thomas W. Gilmer,
secretary of the navy. They were distin-
guished citizens of the state of Virginia,
both having held at different times the
highest offices in the gift of the people
of their state. The town of Gilmer and
the county of Upshur, in the state of
Texas, were named after these two men,
and R. H. Jenness, who once lived there
says that the 28th of February is always
kept by the people in memory of the sad
event.

The funeral of Mrs. Ellen McManus
was held at the Catholic church Friday
last at 10 o'clock, Rev. M. F. Cassidy
celebrating requiem high mass. The
funeral was largely attended, the family
of the deceased being widely known
throughout this section. Mrs. McManus
was sixty-six years of age. She was born
in Ireland, but had been away from her
native hearth for forty years. She had
lived with her son P. J. and two daughters
in O'Neill for several years past, coming
here from Wisconsin. Her husband was
buried some years ago. The cause of
death was pronounced Bright's disease.

P. J. McManus departed Tuesday for
Chicago to buy goods for spring busi-
ness. Mr. McManus is engaged in the
popular and profitable business of ex-
pansion, having recently added forty
feet more space to his commercial do-
main, now occupying three seventy-foot
floors. The McManus store now occupies
half of the corner block below the post-
office. The latest addition was the tear-
ing out of a partition up stairs and
throwing into one room the north side
of the upper floor of the block. In the
future as in the past, McManus' store
will deal out the best goods for your
money.

Lynch Journal: The smallpox epi-
demic in Lynch that is reported
in our neighboring towns is
rather a laughing stock here. There has
been two cases of the disease north of
town in one family and there is now one
here in town, but all three cases are so
light a large majority of the people do
not believe it smallpox. Though these
three are the only cases that have
developed every precaution possible is
being taken to prevent its spread and
no more are expected to develop. The
reports that reach us from the outside of
four and five new cases developing every
day are made out of whole cloth and
some of them have been chased to the
originator and those people will be
remembered. When we have an epi-
demic we will let the world know it and
will quarantine the town.

The City of O'Neill had Byron Parker
and Samuel Wolf arrested this morning
on the charge of fighting and disturbing
the peace of the city contrary to the
laws made and provided. At the
hearing this morning before Police
Judge Davidson it was shown to the
satisfaction of the court that Parker
made an unprovoked assault upon Wolf
and the court fined the former \$10 and
costs amounting in all to \$17.10. At-
torney Meredith who has been ap-
pointed city prosecutor by the court
conducted the prosecution and the
spectators say his speech for the preser-
vation of the peace and dignity of the
city was eloquently grand. Mr. Wolf
pleaded not guilty to the charge of
disturbing the peace and was discharged
by the court.

George Rodenwald died at his
home in this city last Monday
afternoon after an illness of about one
year of consumption. Deceased was
born in Pekin, Illinois, June 14, 1864,
and was 36 years and 8 months
old at the time of his death. In 1888
deceased was baptized in the Lutheran
church. In 1878 he came to Nebraska
and on August 16, 1892, he was united
in marriage to Miss Anna Johring, of
this city, who with five children live to
mourn his demise. On January 6,
1901, he made a profession of faith and
united with the Presbyterian church
and was attended by the minister of
that church, Rev. Beckes, at the time
of his death. Besides his family de-
ceased leaves two half brothers and an
aged father and mother to mourn his

Demise. Mr. Rodenwald was a mem-

of this city, in which order he carried
\$2,000 insurance and this order took
charge of the funeral Wednesday, a
large portion of the membership ac-
companying the remains of their departed
neighbor to the cemetery. The
Frontier joins the many friends of the
family in tendering its condolence.

On Thursday evening of last week
the ladies of Kent chapter of Eastern
Star entertained most pleasantly the
members of Garfield Masonic lodge. It
being so near the birthday of their first

The time was spent socially and with
progressive games. At the hour of
high twelve a dainty and most delicious
luncheon was served by the charming
colonial maids and matrons. Owing to
the inclement weather not all who were
expected came, but those present were:

Trueblood, R. R. Dickson, Dr. Gilligan,

Dickson and others. Short talks were

"Pat Crowe" at Spencer.

Says a Spencer special to the World-
Herald: A man registering at the
Hotel Woods under the name of Pat
Crowe came into Spencer last night at
11 o'clock, heavily armed and bearing a
rifle. He was arrested and taken before
Justice Rocher this morning. He was
identified by a former acquaintance of
Pat Crowe as resembling him, but upon
his examination he produced credentials
and proved himself to be C. W. Griswold,
a traveling salesman for a Sioux City
house. He was discharged with the
admonition not to register under a
fictitious name in the future. All that
can be assumed as a cause for his action
was a desire for notoriety.
