

"Don't Speak to me."

All manner of extravagant expressions are possible when a woman's nerves are overwrought. The spasm at the top of the wind pipe or bronchial tubes, "ball rising in the throat," violent beating of the heart, laughing and crying by turns, muscular spasms (throwing the arms about), frightened by the most insignificant occurrences—are all symptoms of a hysterical condition and serious derangement of the female organs.

Any female complaint may produce hysterics, which must be regarded as a symptom only. The cause, however, yields quickly to Lydia E. Pinkham's Vegetable Compound, which acts at once upon the organ afflicted and the nerve centers, dispelling effectually all those distressing symptoms.

Mrs. Lewis Says: "I Feel Like a New Person, Physically and Mentally."

"DEAR MRS. PINKHAM:—I wish to speak a good word for Lydia E. Pinkham's Vegetable Compound. For years I had ovarian trouble and suffered everything from nervousness, severe headache, and pain in back and abdomen. I had consulted different physicians, but decided to try your medicine, and I soon found it was giving me much relief. I continued its use and now am feeling like a new person, physically and mentally, and am glad to add one more testimonial to the value of your remedy."—Mrs. M. H. Lewis, 2108 Valentine Ave., Tremont, New York, N. Y.

Writing to Mrs. Pinkham is the quickest and surest way to get the right advice about all female troubles. Her address is Lynn, Mass. She advises women free. Following is an instance:

Mrs. Haven's First Letter to Mrs. Pinkham.

"DEAR MRS. PINKHAM:—I would like your advice in regard to my troubles. I suffer every month at time of menstruation, and flow so much and for so long that I become very weak, also get very dizzy. I am troubled with a discharge before and after menses, have pains in ovaries so bad sometimes that I can hardly get around, have sore feeling in lower part of bowels, pain in back, bearing-down feeling, a desire to pass urine frequently, with pains in passing it; have leucorrhoea, headache, fainting spells, and sometimes have hysteria. My blood is not in good condition. Hoping to hear from you, I am," Mrs. EMMA HAVEN, 2508 South Ave., Council Bluffs, Iowa, (June 3, 1899.)

Mrs. Haven's Second Letter.

"DEAR MRS. PINKHAM:—I wish to express my gratitude for what your medicine has done for me. I suffered for four years with womb trouble. Every month I flowed very badly. I got so bad that I could hardly do my work. Was obliged to sit or lie down the most of the time. I doctored for a long time, but obtained no relief. I began using your remedies—Lydia E. Pinkham's Vegetable Compound, Blood Purifier, Sanative Wash and Liver Pills—and now feel like a new woman."—Mrs. EMMA HAVEN, 2508 South Ave., Council Bluffs, Iowa, (Feb. 1, 1900.)

Baggage by Special Delivery.
 As a further accommodation to its patrons, arrangements have been made by the passenger department of the New York Central & Hudson River Railroad Company, whereby at the nominal charge of 50 cents per piece, to pay for transfer, baggage may now be checked through from the principal stations on its lines, to any hotel, residence or steamship dock in New York or Brooklyn. Instead of checking to Grand Central Station, New York, only, and arranging after arrival there to have your baggage properly delivered, save yourself trouble by asking local baggage-masters to forward your baggage by special delivery. A particular style of check is used for this purpose, and as soon as your baggage reaches Grand Central Station it will be promptly delivered at the address desired without further attention on your part.—From the New York Mail and Express.

THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City.

CATTLE—There was another liberal run of cattle, but packers took hold in good shape and the market did not show much change from yesterday. Trade was active and the bulk of the supply was out of first hands in good season. The market could be quoted just about steady, though in some cases sellers thought they had to take a shade lower prices than they did yesterday. The weaker feeling was, of course, more noticeable on the medium kinds of cattle. There were only a few cows and heifers on sale. Fifteen cars would about cover the receipts. In spite of the light supply buyers did not take hold with quite as much life as they have been doing, and the trade did not have the snap to it that has been noticed of late. Bulls sold in about yesterday's notches, but they were not any too active. Veal calves and stags brought steady prices also. The few stockers and feeders of good quality that were offered today were picked up at fully steady prices. Stockers weighing 400 pounds sold at \$2.10. The demand from the country is not what might be called heavy, but still it is large enough to take all that is coming at good, strong prices.

HOGS—There was a big run of hogs, making the supply for the four days this week the heaviest in some time past. Packers started out and tried to buy their droves at steady prices, but sellers were holding for higher prices, and for that reason the market was slow in getting started, and not very many sold at the early bids. Finally, however, packers raised their hands a little and the hogs began moving toward the scales at a shade stronger prices than were paid yesterday. The bulk of the hogs today sold from \$3.75 to \$3.80, with the long strong at \$3.75.

SHEEP—There were only about a dozen loads of sheep and lambs on sale and the quality of the offerings as a whole was common. The market opened up about steady on the better grades. Clipped lambs brought \$4.45, which looked about steady, and woolled sheep sold at \$4.00, which was also about as much as the same kind would have brought yesterday. The last end of the market, however, was very slow and weak, as packers did not seem to want the common stuff that was offered.

KANSAS CITY MARKET.
 Cattle—Medium weight native and Texas steers, steady; other cattle, easier; choice dressed beef cattle, \$5.25 to \$5.50; fair to good, \$4.70 to \$5.15; stockers and feeders, \$4.10 to \$5.05; western-fed steers, \$4.50 to \$5.25; Texans and Indians, \$4.25 to \$5.15; cows, \$3.25 to \$4.50; heifers, \$3.50 to \$4.90; canners, \$2.50 to \$3.25; bulls, \$3.50 to \$5.00; calves, \$4.50 to \$6.00.

Sheep and Lambs—Market steady; western lambs, \$4.25 to \$5.00; western wethers, \$4.50 to \$4.80; western yearlings, \$4.65 to \$4.90; ewes, \$4.10 to \$4.50; bulls, \$3.50 to \$5.00; western, lambs, \$5.00 to \$5.50.

CABINET MEMBERS SANGUINE.

Hopeful that the Platt Amendment Will Be Accepted.

WASHINGTON, April 27.—The cabinet meeting today, the last one before the president's departure for the coast, was occupied almost exclusively with the discussion of the visit of the Cuban commission. Secretary Root, who has been conducting the conferences with the commission, submitted rather exhaustively an account of the interviews he had with them. He told the president and the cabinet of the objections which the commissioners raised to the Platt amendment and of some of the misunderstandings regarding it.

There was a general exchange of opinion among the members of the cabinet regarding the situation and in light of the views expressed, Secretary Root will hold another conference with the commissioners before their departure. The president will not see them again, except to formally bid them farewell. While there are one or two points upon which some of the members of the commission are insistent the general feeling of the cabinet, as reflected in their exchange of views today, was that the result of the commission's visit could not but be beneficial in relieving erroneous impressions which it is expected are entertained in the constitutional convention regarding the purposes of the United States.

Altogether it would not be too much to say that the cabinet generally is hopeful that the convention, after hearing the report of the commission, will be much more disposed to accept our terms than it has been heretofore.

Robbers Turn Bold Trick.

ANACONDA, Mont., April 27.—A most audacious robbery was committed here early by two burglars, who secured \$10,000 in gold. The burglars entered the Alaska saloon by forcing the main street door. Boldly picking up a 300-pound safe they loaded it onto an express wagon. Driving outside the city limits, they broke the safe open and secured \$10,000 in gold. Putting the broken safe back into the wagon, they made good their escape.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

This is the address given in an order for Dodd's Kidney Pills received and filled by the Dodd's Medicine Company of Buffalo, on April 16th. This unique direction means that to reach the sick people of Iceland, the parcel must travel to New York, then to London, Eng., then northwest to Greenland, to be landed finally, on the lonely island at the edge of the Arctic Circle. This is a pointed illustration of how United States goods find their way to the remotest corners of the earth. America today, produces better medicines, as well as better manufactured articles than any other country in the world, and this fact accounts for the demand for Dodd's Kidney Pills from every part of the known universe.

Sour Milk Steam.
 At Cincinnati, on the Erie and Central New York road, there is a water tank which is supplied by a pump in an adjoining creamery.
