Tot Causes Night Alarm.
 "One night my brother's baby was taken with Croup," writes Mrs. J. C. Snider, of Crittenden, Ky., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." Governor Dresses Like Ranchman.
 Governor Ezra P. Savage of Nebraska, is a man of the people and in appearance is tall and gaunt and affects the gait and sombrero common among ranchmen.
A Fiendish Attack.
 An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures backache and kidney trouble purifies the blood and builds up your health. Only 50c at P. C. Corrigan Drug Store.

Tallest in the Country.
 In the Memphis Confederate reunion the battle flag carried at the head of the Texas Division was the Eleventh Texas artillery flag, and its colorbearer, Mr. H. C. Thruston of Mount Vernon, Tex., is 7 feet 7 1/2 inches high, a veteran of the war between the states, and may be properly designated as a product of three states, being a native-born South Carolinian, his early manhood being spent in Missouri (where he married), and for the last 37 years a citizen of Texas. He served four years in General Parsons' Missouri cavalry, General Marmaduke's brigade, is 71 years old, and probably the tallest man in the United States.

Stops Sale of Indian Lands.
 The supreme court of the District of Columbia has granted the restraining order sought by the old Kiowa chief, Lone Wolf, who wants to stop the disposal of the Kiowa and Comanche reservation. This means that the recalcitrant members of the tribes are to have the benefit of a doubt, and time will be allowed in which to take evidence as to the charges of fraud and misrepresentation in getting the treaty adopted by the Indians by means of which their lands were secured to be sold to settlers.
Stepped Into Live Coals.
