The Wall Street Journal

The Wall Street Journal gives advice and answers, without charge, inquiries about investments. Studies, underlying causes of market movements. Determines facts governing value of securities. Criticizes, analyses and reviews Railroad and Industrial reports. Has complete tables of earnings of properties. Quotes active and inactive stocks and bonds. Records the last sale of bonds and the yield on investment at the price.

One who daily consults The Wall Street Journal is better qualified to invest money safely and profitably and to advise about investments than one who does not do so.

Published daily by Dow, Jones & Co 44 Broad St., N. Y. The oldest news agency of Wall St. \$8 a year, \$1 a month.

Charity of "Borax King's" Wife.
California is to have a unique philanthropic institution in the girls' homes which are being built by Mrs. F. M. Smith, wife of the "borax king." Mrs. Smith has resolved to provide for 100 girls, housing them in ten cottages. Homeless girls, of all ages will compose the colony.

Blown To Atoms.
The old idea that the body sometimes needs a powerful, drastic, purgative pill has been exploded; for Dr. King's New Life Pills, which are perfectly harmless, gently stimulate liver and bowels to expel poisonous matter, cleanse the system and absolutely cure Constipation and Sick Headache. Only 25c at P. C. Corrigan, drug store.

A Big Cut in The Price.
The Nebraska State Journal has reduced its prices to subscribers outside of Lincoln and suburbs from \$7.50 to \$5.00 per year, including the big Sunday paper, or \$4.00 per year without Sunday. The price of the Sunday issue will be \$1.50 per year.

By this action it is presenting its state readers with thousands of dollars, but the result will be thousands of new subscribers, thus enlarging its usefulness and adding to its value as an advertising medium. Instead of any lessening in the effort to make it a first-class State Paper, the Journal will be improved in every department, making it the best newspaper in the state for Nebraskans. It is published at the State Capital, which has always been the center of things political and social of a state nature. The Journal's state telegraphic service excels that of all competitors which, with its complete associated press reports and special telegraph service from Washington, makes it the paper for Nebraska people.

A. L. Bixby's department is one of the most widely read in the west, and the fair and unprejudiced editorial treatment of all state matters has made the Journal thousands of warm friends.

This big reduction in price which now makes the six week day papers eight cents a week, and the seven day paper ten cents a week, will make the Journal the most widely read paper throughout Nebraska.

Thousands Sent Into Exile.
Every year a large number of poor sufferers whose lungs are sore and racked with coughs are urged to go to another climate. But this is costly and not always sure. Don't be an exile when Dr. King's New Discovery for Consumption will cure you at home. It's the most infallible medicine for Coughs, Colds, and all Throat and Lung diseases on earth. The first dose brings relief. Astounding cures result from persistent use. Trial bottle free at P. C. Corrigan. Price 50c and \$1. Every bottle guaranteed.

Scarcity of Snails in France.
Some alarm is expressed by certain Paris epicures because the supply of snails of the finest quality seems to be falling off to a serious extent. This apprehension, however, will cause no distress upon an extended scale, as the taste for the deliberate creature that carries his house upon his back has not been world-wide. In fact, it has never gained much ground outside of the Latin race, and beyond the borders of France itself the number of gourmets who have extolled the snail as a table delicacy of the most desirable sort has not been a long list.

Two Papers for Price of One.
Every person who cuts out and sends this advertisement and one dollar to the Omaha Semi-Weekly World-Herald for one year's subscription before January 31, will also receive free of charge the illustrated Orange Judd Farmer, weekly, for one year. No commission allowed. Regular price of both \$2.—Address, Weekly World-Herald, Omaha, Nebr.

An Independent Bank.
"We don't want any more deposits," is the sign an Inman (Kan.) bank has posted on its front door. The owners say they have more money now than they can place and don't care to run the risk of keeping a lot more money which they can't make earn them something.

It Girdles The Globe.
The fame of Bucklen's Arnica Salve, as the best in the world, extends around the earth. It's the one perfect healer of Cuts, Corns, Burns, Bruises, Sores, Scalds, Boils, Ulcers, Felons, Aches, Pains and all Skin Eruptions. Only infallible Pile cure. 25c a box at P. C. Corrigan.

Universal Cockroach.
The common cockroach has spread throughout the civilized world by means of ships. This disagreeable bug comes and goes on ships almost as freely as the rats. The two seem to live together amicably and they monopolize the hold of the ships which carry foodstuffs.
