FOR 1902

Founded in 1873, the New York Family Story Paper enters its twentyninth year with a consciousness that its past record as the family paper of the whole country is the best guarantee of its future performance.

It contains something of interest to the whole household, from its oldest to its youngest members; and while its stories are of more absorbing interest and thrilling incidents than the average tale published in the monthly magazines, yet its columns are kept scrupulously free of anything that might offend the most fastidious.

In typographical appearance and Illustration the New York Family Story Paper is the model for all similar weekly papers. Get a copy and compare it yourself with the others. Its staff of authors is the best in the. character of fiction that the mass of people desire to read. Among its contributors, most of whom write exclusively for its columns, will be found such popular authors as-

Miss Laura Jean Libbey Miss Emma Garrison Jones Mrs. Alex McVeigh Miller Miss Helene Hicks

Mrs. Charlotte May Kingsley Mrs. Lillian R. Drayton Mrs. E. Burke Collins Mrs. Charlotte M. Stanley Mrs. M. A. Kidder Miss Abi S. Jackman Miss Katherine Dangerfield
