SEVENTY-EIGHT COLORED PEO-PLE LOSE THEIR LIVES.

"FICHT" MISTAKEN FOR "FIRE"

Stampede Follows Quarrel Between Delegates and Choir Master-Suffocation Causes Most Deaths-Heaps Ten Feet High at Doors.

BIRMINGHAM, Ala., Sept. 20 .- Seventy-eight people known to be dead and eighty injured, some perhaps fatally, is the result of a panic which occurred in Shiloh negro Baptist church here last night during the evening session of the national Baptist convention. Fifteen hundred delegates were crowded into the church, which had only a seating capacity of 400, when the audience was thrown into a stampede by a conflict between two of the delegates in the rear of the church. The cries of "fight" the audience mistook for an alarm of "fire," and in the wild rush seventy-eight persons were crushed to death and eighty more received injuries some of which may prove fatal. The list of dead and injured included only negroes in attendance. In the case of the visiting delegates the identification has been difficult.

The catastrophe occurred at 9 o'clock, just as Booker T. Washington had concluded his address to the national convention of Baptists, and for three hours the scenes around the church were indescribable. Dead bodies were strewn in every direction and the ambulance service of the city was utterly incapacitated to move them until after 10 o'clock. Dozens of dead bodies were arranged in rows on the grounds outside of the house of worship, awaiting removal to the various undertaking establishments, while more than a score were laid out on the benches inside.

The church is the largest house of worship for negroes in Birmingham, and the pastor says there were at least 2,000 persons in the house when the stampede began. Instructions had been issued to allow no more to enter, but the negroes forced their way inside and were standing in every aisle. Even the entrance to the church was literally packed.

Just as Booker T. Washington concluded his address, Judge Billou, a negro lawyer from Baltimore, engaged in an altercation with the choir leader concerning an unoccupied seat and it is said a blow was struck. Someone in the audience cried "They're fighting." Mistaking the word "fighting" for "fire," the congregation arose enmasse and started for the door. One of the ministers quickly mounted the rostrum and admonished the people to keep quiet. He repeated the word "quiet" several times and motioned his hearers to be seated. Again the excited people mistook the word "quiet" for "fire" and renewed their States' initiative in protesting to the

Man Suspended in Air One Hundred Feet High Twenty Minutes.

CHICAGO, Sept. 19.-Suspended only by his hands, McNaughton Wright, a prominent member of the Board of Trade, hung between life and death for twenty minutes at the top of a grain chute in the Rock Island elevator.

When rescued Mr. Wright was exhausted and on the point of releasing his hold, which would have meant a fall of 100 feet to the hard floor of an empty bin, and almost certain death. He had entered the elevator to inspect some wheat. Making a misstep, he fell into the chute, but succeeded in clutching the edge and hanging by his hands. Mr. Wright's calls for help were finally heard by an employe, who pulled him out. He fainted then and was unconscious for nearly an hour, so great had been the strain.

INDIAN PRINCE A BANKRUPT.

In Debt Because the Government Has Made Allowance Too Small.

LONDON, Sept. 19.-At a meeting today of the creditors of Prince Victor Dulep Singh, who was declared a bankrupt September 4, the chairman said the prince's debts amounted to \$471,600, of which \$360,000 was secured.

The debts were attributed to stock exchange speculation and gambling. Among the assets is a claim for \$3. 000,000 against the Indian government with respect to the estate of the bankrupt's father.

The prince ascribes his bankruptcy to the "ridiculous insufficiency" of his allowance from the Indian government. To maintain his position the price received \$35,000 yearly and his wife received \$10,000.

THE BOXERS MAKE AN ATTEMPT TO TAKE CHENG TU FU.

A Chinese Merchant Predicts That the Whole Province Will Be on Its Bad Behavior if the Fifty Thousand Rebels Succeed.

LONDON, Sept. 18 .- Cabling from Shanghai under date of September 17, the correspondent of the Daily Mail says that Cheng-Tu-Fu, capital of the province of Sze-Chuen is surrounded by 50,000 Boxers, but that their attempts to take the city have failed so far. Without immediate help, however, Cheng-Tu-Fu must fall.

"A prominent Chinese merchant tells me," continues the Daily Mail correspondent, "that if Cheng-Tu-Fu is taken a rising in the province is inevitable. To further complicate matters, the feuds between Catholic and Protestant converts are worse now than at any previous stage and magisterian injunction in various matters has been unwarrantably interferred with by priests and missionaries."

VICTORIA, R. C., Sept. 18 .- A letter received from a thoroughly trustworthy Chinese correspondent at Nanning states that the rebellion is entirely at an end. General Ma. one of the ablest Chinese officers in the south was killed.

Though the rebellion, so called, is at end, a disquieting feature of the situation is that a large quantity of upto-date rifles are still imported constantly The Chinese complain that they are smuggled over the Tonkin frontier. The town of Tunghua Hisan, northwest of New Chwang, is reported to have been occupied by the brigand leader, Tiu Tang Tsae, and followers. Making this their headquarters, they are said to be busily loot ing all the districts around.

The Boxers are still active in Chengte and increasingly so. The local foreign officer reports the district to be in great disorder, several places having been attacked, others burned down and a number of Christians and others who have resisted having been killed. The British and Foreign Bible society has had one killed in that district and there are rumors, not yet confirmed, but believed to be reliable, that two others have suffered the same fate.

A gentleman who recently visited New Chwang says the Russians are making all preparations for retirement from Manchuria at an early date, and expresses the belief that they will do so. At the same time he admits that they are not likely to give up some of the places on which they have spent considerable sums, such as New Chwang and Talien bay, nor to retire without some sort of equivalent, for what they supposed they had acquired | amount to more than \$2,500,000. nor even then to make an absolute relinquishment of their claims upon that country.

FURIOUS FIRES IN WYOMING.

Burning in Eighteen Different Parts of the State.

CHEYENNE, Wyo., Sept. 17 .- Governor Richards has been informed by telephone from Grand Encampment that for many miles along the Wyoming-Colorado line, north of Pearl, Colo., a furious forest fire is raging, devastating everything in its path. Efforts to subdue the flames have been exhausted without effect. Governor Richards immediately communicated with Governor Orman of Colorado and arranged for both to send a telegram to the secretary of the interior asking for aid. According to the latest reports.

there are at least eighteen serious forest fires burning in Wyoming, to say nothing of numerous smaller fires burning in southern Albany county that are destroying great swamps of fine pine timber in the Medicine Bow range and threatening mining buildings.

Although a hundred miles away from Chevenne, the smoke from these fires obscures the sky here and the odor of burning wood is plainly notice able.

He has been contemplating this action for two weeks, but had intimated nothing of it to his friends. At the conference his friends implored him not to take the action, but to no avail. He said he had made up his mind and no argument could cause him to change his decision.

THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City.

CATTLE-There were not quite as many cattle as yesterday, but receipts were liberal. The way things look now this will be a record-breaking week. The record so far is held by the week ending October 31, 1901, when 39,399 head of cattle arrived. A fair test of the market for cornfed steers was not made as there was nothing good in the yards The cow market started in quite lively and just about steady with yesterday. When buyers realized though, that there were a good many cows in sight they cooled off a little and were bidding a little lower. Stockers and feeders were in big supply, and although there were close to 175 cars shipped to the country yard traders had a good many on hand. The good cattle, though, sold at about steady prices, while the commoner grades were extremely dull and a little lower. The general situation was expressed by one speculator when he said that he was not buying any common cattle, as he already had 500 on hand and had not had a bid on them. Western beef steers were no more than steady, and if anything the common grades were a little lower. Range cows were about steady at the opening, but a little lower on the close The best feeders held about steady, but the commoner grades were dull and a quarter lower than a week aro.

HOGS-There were a few more cars of hogs on sale than arrived yesterday, but still the run was light. The market opened steady to strong on the choice light and butcher weights and also on the better grades of heavy hogs, but little or nothing was done on the packing grades . The good hogs sold largely from \$7.40 to \$7.50 and as high as \$7.60 was paid. After the first round or so the general market was no more than steady and the feeling kept getting worse is the morning advanced and the close was very slow and weak.

It came (he had, of course, not advertised under his own name) from his former wife. At any rate, he found himself yearning for number one, and she is now Mrs. Sixt number

Don't be discouraged by past efforts to find relief and cure from the myriads of ills that come from sick kidneys. You may pass nights of sleepless tossing, annoyed by frequent urination. Your back may ache like a toothache or sudden twitches and twinges of backache pain make life a misery. Perhaps you have nervous spells, are weak, tired-out, depressed. There is a cure for all of this and for every trouble of the bladder and kidneys. Read this case and note it tells how well the cure was tested: Charles Lindgren, sealer of freight cars on the L. S. & M. S. R. R., La. Porte, Ind., says: "I have greater faith in Doan's Kidney Pills to-day than I had in the fall of 1897 when L began taking them and made a public statement of the result. At that time I had suffered with lameness and soreness of the back, which was so excruciating that I could scarcely turn in bed, and Doan's Kidney Pills completely cured this trouble. I am always ready to endorse Doan's Kidney Pills personally to anyone requiring a kidney remedy. After a lapse of three years I make this statement, which shows my undoubted faith in
