him. All were present at the funeral except the two sisters residing in Pennsylvania who were unable to be present.

Mr. O'Malley came to Holt county in March 1878 and located upon the farm northwest of O'Neill where he resided until his death. He was a quiet unobtrusive man with a genial smile and a pleasant word for all and numbered his friends only by the limit of his acquaintance. He was apparently a robust man and enjoyed good health until about six months igo when he suffered an attack of Brights disease and although he went to Omaha and had the best medical advice to be obtained the disease could not be checked and on New Years day as he was surrounded by all his loved ones he was called to his eternal home.

The funeral services were held Sundav afternoon the remains being interred in the Catholic cemetary.
