Severe Attack Of Grip
Cured by One Bottle of Chamberlain's Cough Remedy.
"When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, Editor of the Enterprise, Shortsville, N. Y. "This is the honest truth. I at times kept from coughing myself to pieces by taking a teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bid me adieu." For sale by P. C. Corrigan.

Should Secure American Seamen.
To improve shooting in the British navy Gibson Bowles will suggest in the house that retention of commands shall depend on gunnery results.

Danger of Colds and Grip.
The greatest danger from colds and grip is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventive of that dangerous disease. It will cure a cold or an attack of the grip in less time than any other treatment. It is pleasant and safe to take or sale by P. C. Corrigan.

Edward as Speechmaker.
One of the results of the long training King Edward had as Prince of Wales is that few men are so easy on their feet in making a speech as he is. The late Lord Houghton—an accomplished man of letters and an experienced politician—used to say to the Prince of Wales: "I have always considered your royal highness and myself the best after-dinner speakers of the day."

Up-to-Date Medicine.
D'Arsonval, the famous Parisian therapeutic specialist of Paris, stated that the world is on the eve of a therapeutical revolution and that electricity will be the medicine of the future. A strong, continuous current through a patient could, he affirmed, produce local anaesthesia, permitting slight surgical operations without narcotics.

Under the Red-Tape System.
Perhaps the most remarkable curios in the British army system of red tape are the headings under which various personal necessities are classed. For instance, a soldier must purchase a brush and comb under the head of clothing, while a tooth brush for some extraordinary reason comes under the denomination of fuel.

ARE YOU DEAF? ANY HEAD NOISES?
ALL CASES OF
DEAFNESS OR HARD HEARING ARE NOW CURABLE
by our new invention. Only those born deaf are incurable.
HEAD NOISES CEASE IMMEDIATELY.
F. A. WERMAN, OF BALTIMORE, SAYS:
BALTIMORE, Md., March 30, 1902.
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.
About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.
I then saw your advertisement, accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain
Very truly yours,
F. A. WERMAN, 730 S. Broadway, Baltimore, Md.
Our treatment does not interfere with your usual occupation.
