To improve the appetite and
strengthen the digestion, try a few
doses of Chamberlain's Stomach and
Liver Tablets. Mr. J. H. Seitz, of
Detroit, Mich., says: "They restored
my appetite when impaired, relieved
me of a bloated feeling and caused a
pleasant and satisfactory movement
of the bowels." There are people in
this community who need just such
a medicine. For sale by P. C. Corri-
gan. Every box warranted.

Ballard's Horehound Syrup.
Immediately relieves hoarse, croupy
cough, oppressed, rattling, rasping
and difficult breathing. Henry C.
Stearns, Druggist, Shullsburg, Wis-
consin, writes, May 20, 1901: "I have
been selling Ballard's Horehound
Syrup for two years, and have never
had a preparation that has given bet-
ter satisfaction. I notice that when
I sell a bottle, they come back for
more. I can honestly recommend it.

Favorite Family Remedy.
Frequently accidents occur in the
household, which cause burns, cuts,
sprains and bruises; for use in such
cases, Ballard's Snow Liniment has
for many years been the constant
favorite family remedy. 25c, 50c and

Don't forget the old man
with the fish on his back.
For nearly thirty years he
has been traveling around the
world, and is still traveling,
bringing health and comfort
wherever he goes.
To the consumptive he
brings the strength and flesh
he so much needs.
To all weak and sickly
children he gives rich and
strengthening food.

To thin and pale persons
he gives new firm flesh and
rich red blood.
Children who first saw the
old man with the fish are now
grown up and have children
of their own.
He stands for Scott's Emul-
sion of pure cod liver oil—a
delightful food and a natural
onic for children, for old folks
and for all who need flesh and
strength.

in the world for coughs and colds."

Notice

association will hold its next annual
meeting at the Presbyterian church
on January 4, 1904, at 2 o'clock p. m.
George Bay, Sec.

A glass or two of water taken half
an hour before breakfast will usually
keep the bowels regular. Harsh
cathartics should be avoided. When
a purgative is needed, take Chamber-
lain's Stomach and Liver Tablets.
They are mild and gentle in their
action. For sale by P. C. Corri-
gan.

How to Prevent Croup.
It will be good news to the mothers
of small children to learn that croup
can be prevented. The first sign of
croup is hoarseness. A day or two
before the attack the child becomes
hoarse. This is soon followed by a
peculiar rough cough. Give Chamber-
lain's Cough Remedy freely as soon as
the child becomes hoarse, or even
after the rough cough appears, and it
will dispel all symptoms of croup. In
this way all danger and anxiety may
be avoided. This remedy is used by
many thousands of mothers and has
never been known to fail. It is, in
fact, the only remedy that can always
be depended upon and that is pleasant
and safe to take. For sale by P. C.
Corri-
gan.

A Timely Suggestion.
This is the season of the year when
the prudent and careful housewife re-
plenishes her supply of Chamberlain's
Cough Remedy. It is certain to be
needed before the winter is over, and
results are much more prompt and
satisfactory when it is kept at hand
given as soon as the cold is contracted
and before it has become settled in
the system. In almost every instance
a severe cold may be warded off by
taking this remedy freely as soon as
the first indication of the cold
appears. There is no danger in giving
it to children for it contains no harm-
ful substance. It is pleasant to take—
both adults and children like it. Buy
it and you will get the best. It al-
ways cures. For sale by P. C. Corri-
gan.

Climatic Cures.
The influence of climatic conditions
in the cure of consumption is very
much overdrawn. The poor patient,
and the rich patient, too, can do much
better at home by proper attention to
food digestion, and a regular use of
German Syrup. Free expectoration in
the morning is made certain by Ger-
man Syrup, so is a good night's rest
and the absence of that weakening
cough and debilitation night sweat.
Restless nights and the exhaustion
due to coughing, the greatest danger
and dread of the consumptive, can be
prevented or stopped by taking Ger-
man Syrup liberally and regularly.
Should you be able to go to a warmer
clime, you will find that of the thou-
sands of consumptives there, the few
who are benefited and regain strength
are those who use German Syrup.
Trial bottles, 25c; regular size, 75c.
