**Proverbs**

"When the butter won't come put a penny in the churn," is an old time dairy proverb. It often seems to work though no one has ever told why.

When mothers are worried because the children do not gain strength and flesh we say give them Scott's Emulsion.

It is like the penny in the milk because it works and because there is something astonishing about it.

Scott's Emulsion is simply a milk of pure cod liver oil with some hypophosphites especially prepared for delicate stomachs.

Children take to it naturally because they like the taste and the remedy takes just as naturally to the children because it is so perfectly adapted to their wants.

For all weak and pale and thin children Scott's Emulsion is the most satisfactory treatment.

We will send you the penny, i. e., a sample free.  
Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

**Best Liniment on Earth.**  
Henry D. Baldwin, Supt. City Water Works, Shullsburg, Wis., writes: "I have tried many kinds of liniment, but have never received much benefit until I used Ballard's Snow Liniment for rheumatism and pains. I think it the best liniment on earth." 25c, 50c and \$1.00 bottle at P. C. Corrigan.

**Croup.**  
The peculiar cough which indicates croup, is usually well known to the mothers of croupy children. No time should be lost in the treatment of it, and for this purpose no medicine has received more universal approval than Chamberlain's Cough Remedy. Do not waste valuable time in experimenting with untried remedies, no matter how highly they may be recommended, but give this medicine as directed and all symptoms of croup will quickly disappear. Isaac Seely, Ava, Mo., writes, Sept. 10th, 1900. "I was in bad health, I had stomach trouble for 12 months, also dumb chills. Dr. J. W. Mory prescribed Herbine, it cured me in two weeks. I cannot recommend it too highly, it is too highly, it will do all you claim for it." Sold by P. C. Corrigan.

Omaha police authorities say they will close all dance halls, which have been leading young girls astray.

**Millionaires' Poor Stomach.**  
The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendants on the possession of a great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size, 75c.

For a bad taste in the mouth take a few doses of Chamberlain's Stomach and Liver Tablets. Price 25 cents. Warranted to cure. For sale by P. C. Corrigan.

**Dislocated Her Shoulder.**  
Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with pleased with the relief it gave his mother that he has since recommended it to many others. For sale by P. C. Corrigan.
