Good Bread

How good good bread tastes—so good one could almost make a meal of it. You know the flavor—the wheaty flavor, sweet as a nut. Do you know the secret? It's in the yeast. Good yeast—good bread. Poor yeast—poor bread—and indigestion.

The home-made bread of the American housewife leads the world. The secret of it is found in

YEAST FOAM

a purely vegetable yeast, made of the finest malt, hops, corn, and other healthful ingredients, in the cleanest and best-equipped yeast factory in existence. Yeast Foam is the only yeast that preserves in the bread all the delicious flavor and nutritive qualities of the wheat. Try it.

The secret is in the yeast.

Sold by all grocers at 5c a package—enough for 40 loaves. If your grocer does not keep it, send us his name and yours on a postal and we will mail you our book, "How to Make Bread," free.

Millionaires' Poor Stomach.
The worn-out stomach of the over fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of a great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles 25c; regular size, 75c.

Well Again.
The many friends of John Blount will be pleased to learn that he has entirely recovered from his attack of rheumatism. Chamberlain's Pain Balm cured him after the best doctors in the town (Monon, Ind.) had failed to give relief. The prompt relief from pain which this liniment affords is alone worth many times its cost. For sale by P. C. Corrigan.

Settlers Rates To The West

Read It Through.
'Twould Spoil This Story to Tell It in the Headlines.

To use an eighteenth century phrase, this is an "o'er true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon, of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia, but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by P. C. Corrigan.

Climatic Cures.
The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectation in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitation night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer clime, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 25c; regular size, 75c.

Wakeful Children.
For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by P. C. Corrigan.

So Sweet and Pleasing in Taste!
Mrs. C. Peterson, 625 Lake St., Topeka, Kan., speaking of Ballard's Horehound Syrup, says: "It has never failed to give entire satisfaction, and of all cough remedies, it is my favorite, and I must confess to my many friends that it will do, and has done, what is claimed for it—to speedily cure a cough or a cold; and it is so sweet and so pleasing in taste." 25c, 50c and \$1.00 bottle at P. C. Corrigan.

Cures Sciatic Rheumatism.
Mrs. A. E. Simpson, 509 Craig St., Knoxville, Tenn., writes, June 10th, 1899: "I have been trying the baths of Hot Springs, Ark. for sciatic rheumatism, but I get more relief from Ballard's Snow Liniment than any medicine or anything I have ever tried. Enclosed find postoffice order for \$1.00. Send me a large bottle by Southern Express." For sale by P. C. Corrigan.

Colds Are Dangerous.
How often you hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency toward pneumonia. It always cures and is pleasant to take. For sale by P. C. Corrigan.

MIDLAND BREEDING FARM

55 Herefords
AT AUCTION SALE
Plainview, Pierce County, Nebraska
MARCH 25, 1904

Thirty (30) Bulls 1 1/2 to 2 years old; Fifteen (15) 2-year-old bred Heifers, and a number of choice young Cows with calves at side—all richly bred, a majority of the pedigrees running back to Anxiety 4th 9904, through the blood lines of the "Archibalds," "Lord Brandon," "Beau Real," "Lampighter," and others. The "Earl of Shadland" and "The Grove 3d" are strongly represented. This is not a dispersion sale, but is made up of the Very Tops of the young stock of my herd, being of a very uniform type and color, with plenty of quality. They are a very choice and desirable lot of cattle. They have not been pampered and are not fat, but are in good thrifty breeding condition, are just about right; have been raised in pasture and open yards, and they will certainly prove profitable and satisfactory to the buyer and make him money. This will be an excellent chance for farmers and ranchmen in North Nebraska and South Dakota to buy good breeding cattle at their own prices, delivered at their own doors.

HOLT BROS., OF LAUREL, NEBRASKA,
Proprietors of one of the best pure-bred Hereford herds in Northeastern Nebraska, will contribute 7 head in this sale—3 Bulls and 4 cows, all choicely bred.
Plainview is located in Northeast Neb., about 75 miles West of Sioux City, on the Great Northern and F. E. & M. V. Railroads.
Write at once for Catalogues, giving full particulars.
