**The Life  
of Bread**

Good yeast is the life  
of bread—without yeast  
bread is cold, dead dough.  
You never tasted finer,  
whiter, sweeter, all-  
round better bread than  
that raised with Yeast  
Foam. It tastes good, does  
good, and stays fresh and  
moist until the last  
crust disappears.

**YEAST  
FOAM**

contains the energizing  
principle of leaven in its  
purest form. It is made  
from healthful vegetable  
ingredients, malt, hops,  
corn, etc., in the largest,  
cleanest, yeast factory in  
the world.

The secret is in the yeast.  
All grocers sell it at 5 cents  
a package—enough to make  
40 loaves of bread. With  
proper care it never grows  
stale. Keep it on hand all  
the time. Send for our book

Rummaged: From: Their: Newspapers

PAGE

The Atlas Elevator Co. have com-  
pleted their new elevator at Page, and  
the building is now ready for business.  
It has a capacity of 25,000 bushels of  
grain, which will be elevated by a  
5-horse power gasoline engine. The  
structure presents an imposing appear-  
ance and will do much to convince  
the outside world that small grain is  
a successful crop in this part of Holt  
county. The cost of this new im-  
provement to our town was  
about \$5000, and much credit is due  
to the resident manager, G. L.  
Roberge, for this addition to the busi-  
ness interests of Page.—The Reporter.

**INMAN**  
Mr. Frantz of Indiana, the father  
of Mrs. John Hancock is here on a  
visit. He is one of the G. A. R. boys  
and says he is going to spend one  
decoration day in Nebraska.

Rev. N. S. Lowrie, who for years  
was pastor of the Presbyterian church  
in Inman, now living in Lincoln will  
preach here May 29 at 3 p.

Elder Gamet met with a severe  
injury at Spencer the other day by  
one of his horses pawing him, but the  
elder is getting along very well.

Sam Davis, who left here about a  
year ago and went to Alberta, Canada,  
was in Inman last week shaking  
hands. Sam looks well.—Correspondence  
in Page Reporter.

**ATKINSON.**  
U. G. Beck arrived from Oskaloosa,  
Iowa, Wednesday night, and is shak-  
ing hands with friends and looking  
after business interests. Among  
other good things which have come  
to Mr. Beck recently is the republican  
nomination for county recorder in his  
home county.

Tonight (Friday) there will be or-  
ganized in Atkinson a local lodge of  
Sons of Herman, a strictly German,  
social, educational and fraternal order.  
A. F. Kiehl, the organizer from head-  
quarters, has been here for over a  
week, and informs the Graphic that  
the lodge will start with twenty-five  
or thirty charter members. It is  
largely through the efforts of F. F.  
Mende, editor of "Der Bote" that At-  
kinson secured this organization. It  
will be organized as Lodge No. 42, O.  
D. H. S.—The Graphic.

**EWING.**  
On Monday night, May 16th, some  
miserable spaceman of humanity broke  
into E. J. Spittler's butcher shop by  
prying open the front door, breaking  
the lock and door, and carried away  
smoked meats to the value of \$40.  
The act was committed by a stranger  
or a thing in human form. Any man  
acquainted with Mr. Spittler that  
was hungry and needed meat to eat,  
and no money to buy, could have got  
all they needed by just stating the  
facts to him, as he never refuses to  
give to those who are in need. It  
seems that this community is afflicted  
with some miserable cuss who is try-  
ing to reach the end of a rope, or  
has concluded to risk his carcass for a  
target. The sooner we are freed from  
this unhealthy encumbrance, the  
better it will be for those who are  
trying to earn a living in a legitimate  
manner.—The Advocate.

**STUART.**  
Mr. and Mrs. J. M. Collins formerly  
of Valentine have bought the Pacific  
House and opened up business last  
week.

Miss Dykeman has returned to her  
home in O'Neill after a successful  
year's work as teacher in the Jillson  
district.

Earl McGrew is in Redlands, Cali-  
fornia, having sold out his interests  
here and gone west searching for a  
windless climate where the rees  
bloom all the year and oranges cost  
five cents per dozen.

Word has just reached town that  
Capt. D. C. Blondin was found dead  
in his alfalfa field this morning. He  
got up at 5 o'clock and had gone out  
to sow alfalfa before the wind rose. Jim  
Stuart who is staying there, got break-  
fast and waited for him and about 7  
o'clock went out to look for him. He  
found him lying with a pail in hand,  
dead. The coroner has been sent for  
and will drive direct from O'Neill to  
Capt. Blondin's ranch 8 miles north-  
east of Stuart. He was a member of  
the G. A. R. and of the A. O. U. W.  
lodge and carried \$2,000 insurance in  
that order.—The Ledger.

Cured His Mother of Rheumatism.  
"My mother has been a sufferer for  
many years with rheumatism," says  
W. H. Howard, of Husband, Pa. "At  
times she was unable to move at all,  
while at all times walking was pain-  
ful. I presented her with a bottle of  
Chamberlain's Pain Balm and after a  
few applications she decided it was  
the most wonderful pain reliever she  
had ever tried, in fact, she is never  
without it now and is at all times able  
to walk. An occasional application  
of Pain Balm keeps away the pain  
that she was formerly troubled with."

A school man not over a thousand  
miles away found a lad in the geog-  
raphy class who was deeply interest-  
ed in learning the points of the compass.  
The teacher said: "You have in front  
of you, the north; on your right,  
the east; and on your left, the west.  
What have you behind you?" After  
a few moments' reflection, Allen ex-  
claimed: "A patch on my pants,"  
and to make the information more  
emphatic, Allen continued in a shame-  
faced manner: "I knew you'd see it.  
I told ma you would."
