Ayer's

Why is it that Ayer's Hair
Vigor does so many remarkable
things? Because it is a hair food.
It feeds the hair, puts new life into it.
The hair

Hair Vigor

cannot keep from growing.
And gradually all the dark,
rich color of early life comes
back to gray hair.

"When I first used Ayer's Hair Vigor my
hair was now a rich black, and as thick as I could wish."

Bread
Success

Women who use Yeast Foam
are always successful in the
art of bread-making. Their
bread is light, toothsome,
sweet as a nut, and full of
nutritive value.

Nine times out of ten when
bread goes wrong the fault is
in the yeast. If you seem to
have lost the knack of good
bread, or are anxious
to improve, try

YEAST
FOAM

the yeast that's
made of wholesome
and healthful malt, hops and
corn; the yeast that's free
from brewery waste or other
harmful ingredients; the
yeast that smells different,
tastes different and never
grows stale; the yeast that
holds the secret of the
best bread you ever tasted.
Remember—

The secret is in the yeast.
Yeast Foam is sold by all
grocers at 5¢ a package.
Each package contains 7
cakes—enough to make 40
loaves. "How to Make
Bread," free. Just a postal.

EWING.

Pickerel lake was seized last Sunday
afternoon by an order from the state game
warden, the object being to rid the lake of the carp and
buffalo, which are so destructive to
other and better fish. The work was
done with a 160 foot drag net sent
here by the state. Quite a number of
large fish were caught.—The Advocate.

the principalship of the Bassett school.

and is one of Holt county's efficient
teachers.

The A. O. U. W. members are making
arrangements to have their annual
picnic in the grove at Hammond on
Friday, June 10th, 1904. All are cordially
invited to come and spend a
pleasant day. A ball game and other
sports will be arranged for the day.
There will be a dance in the hall at
night.—The Ledger.

ATKINSON.

Geo. Blake returned from Mexico
last week and says he will henceforth
be content with Atkinson. He made
good money down there, but the climate
is something fierce and it's no place
for a white man to live—unless he has
stolen something and wants a hot place
in which to do his repenting.

Last Tuesday while running a feed
grinder, Geo. Reis, who lives east of
Atkinson, got two fingers caught in
the wheels and they were severely
mashed, considerable bone having to
be removed from one of them. However,
Dr. Douglas is sanguine that with proper
care it will not be necessary to amputate
the fingers entirely.

A committee representing the At-
kinson base ball team visited the
business men of Atkinson this week
and inform the Gaapic that they re-
ceived subscriptions to the amount of
about \$75. This is the kind of en-
couragement the boys need, and they
promise to give every one their
money's worth in sport before the
season ends.—The Graphic.

Sunday.

Otto Nilson went to O'Neill Saturday

from Butte last week for a visit with
their relatives at Phoenix.

M. Christensen and wife, also John
Hunt and wife of Annear took dinner
at Rudolph Jeppeson's, Saturday last.

Edith Jeppeson, John and Edith
Damero and Henry Stansberry took
supper at R. R. Coburn's Sunday
evening.

Mrs. C. E. Howe came out from
O'Neill last Saturday for a short visit
with her son, and other friends at
this place.

Lena Damero went to Atkinson
Saturday. Her sister Edith returned
home having spent a week with her
parents in town.

Mrs. F. Coburn and Mrs. L. G. Coburn
and childern, went to Atkinson
Sunday to attend Decoration exercises,
and also visit friends a few days.

A fishing party from Ray passed
thro' here Saturday evening on their
way home from the Niobrara river.

The party consisted of Mr. Bigler and
sons and Millard Putman.

Dr. Douglas was called, by phone,
last saturday to the home of Frank
Damero where he found Mrs. Damero
suffering from poisoning in her face.
She is much better at present.

Charley Christensen, John Damero,
Howard Greeley, Henry Bartels, Al
McMain, Ralph Coburn, Ted and
Ethel Anderson were the crowd from
Phoenix who attended the dance at
Walters last Saturday evening.

entertainment with her phonograph,
in the Green Valley school house
Wednesday evening, June 8. In addition
to this, the Sunday school scholars
have prepared a program, and will
also serve ice cream at 5¢ per dish.
