**Holt County Republican Platform**

The Republicans of Holt county, in convention assembled, declare our adherence to the statement of principles and policies adopted by the national republican convention of 1900, call attention to the fact that every promise made and every principle enunciated in that platform have been honestly and courageously carried out by the administrations of our martyred President Wm. McKinley and his able and worthy successor, Theodore Roosevelt.

We emphasize our hearty approval of the rigid enforcement of the laws, especially commend his successful prosecution of the Northern Securities merger case.

In the national irrigation law, the building of the Panama canal, we recognize as acts of statesmanship of great moment and far-reaching in their consequences to present and future generations.

The vigorous prosecution by President Roosevelt of the corrupt officials of the post-office department is especially commendable, and of his many acts which demonstrate his ever watchfulness for the welfare of the laboring man.

We indorse the administration of the present republican officials of this county and state for the economical and businesslike way the affairs of the county and state having been carried on.

We indorse the action of the republican state central committee in recommending the nomination by the state convention of a candidate for United States senator and we indorse as such candidate Hon. E. J. Burkett and request the republican members of the legislature from this district to use all honorable means to secure his election by the legislature.

We take special pride and satisfaction in the very faithful and diligent manner in which our distinguished fellow-citizen, Hon. M. P. Kinkaid, has guarded with zealous care the interests of the people of the Sixth congressional district. His efforts in securing the passage of the "Kinkaid law" have made it possible for over 12,000 families to secure free homes of 640 acres each in western Nebraska, and we believe it to be one of the most beneficent and important acts of legislation ever enacted by the United States congress.

**South Omaha Markets**  
South Omaha, May 26.—Special market letter from Nye & Buchanan Co., live stock commission merchant.

Cattle: Light receipts here Monday but fair in Chicago. Market opened active and mostly 10 cents higher. Tuesday brought 6,000 and the market continued active and strong. Wednesday we had 4500 but Chicago had 24,000 and was 10 lower which weakened our market but we look for a steady market the balance of the week.

We quote good choice corn-fed steers \$4.75 to \$5.10, (extra choice \$5.40) fair \$4.25 to \$4.65, common \$3.75 to \$4.00. Good fat cows and heifers \$3.75 to \$4.25. Common cows \$3.00 to \$3.60, canners \$2.00 to \$2.50. Stock market dull, receipts and the demand light. Steer stock calves \$3.50 to \$4.00, heifers \$1.00 to \$1.25 less. Veal \$4.00 to \$5.25. Bulls \$2.50 to \$4.90.

**Good Spirits.**  
Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.

**Trumps of Modern Surgery.**  
Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by P. C. Corrigan.

**"Do It To-Day"**  
The time-worn injunction, "Never put off 'til tomorrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

**Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.**  
Mr. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by P. C. Corrigan.

**A Splendid Remedy.**  
Neuralgic pains, rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates to the nerves and bone, and being absorbed into the blood, its healing properties are conveyed to every part of the body and effects some wonderful cures. Mr. D. F. Moore, Agent Illinois Central Railway, Milan, Tenn., states: I have used Ballard's Snow Liniment for rheumatism, backache, etc., in my family. It is a splendid remedy. We could not do without it. 25c, 50c and \$1.00 at P. C. Corrigan.

**Sued by His Doctor.**  
"A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says R. White, of Coachella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by P. C. Corrigan.

**Thrown From a Wagon.**  
Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by P. C. Corrigan.

**ARE YOU DEAF? ANY HEAD NOISES?**

**DEAFNESS OR HARD HEARING ARE NOW CURABLE**

by our new invention. Only those born deaf are incurable.  
**HEAD NOISES CEASE IMMEDIATELY.**

F. A. WERMAN, OF BALTIMORE, SAYS:  
BALTIMORE, Md., March 30, 1901.  
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.  
About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.  
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.  
I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain  
Very truly yours,  
F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation.
