Tecumseh Chieftain: James H. Ross was so favorably impressed with Holt county land that he bought a quarter section near O'Neill. In company with R. H. Walters, local agent for the Button Land Company, Mr. Ross made a tour of inspection over the county a week ago. He tested the soil and subsoil of the property in question and found it to be excellent. Of course prices range very much lower there than in Johnson county and Mr. Ross is of the opinion the property will make him some money in the way of advancing values within the next few years. In all probability he will not locate on it until the spring of 1906. The Ross family has many friends here who will regret to have them move from the community at any time.

Sued by His Doctor.
 "A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says R. White, of Coahella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by P. C. Corrigan.

Good Spirits.
 Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.

Trumps of Modern Surgery.
 Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by P. C. Corrigan.

Thrown From a Wagon.
 Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by P. C. Corrigan.

Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.
 Mr. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by P. C. Corrigan.
