Safeguard the Children.

Notwithstanding all that is done by boards of health and charitable inclined persons, the death rate among children is very high during the hot weather of summer months in large cities. There is not probably one case of bowel complaint in a hundred, however, that could not be cured by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by P. C. Corrigan.

Chamberlain's Colic, Cholera and Diarrhoea Remedy  
This remedy is certain to be needed in almost every home before the summer is over. It can always be depended upon even in the most severe and dangerous cases. It is especially valuable for summer disorder in children. It is pleasant to take and never fails to give prompt relief. Why not buy it now? It may save life. For sale by P. C. Corrigan.
