**STUART**

Prof Cahill and his brother from Illinois were held up by some thugs in Bonesteel and made to hand over their currency—\$6 and \$10—which they did promptly and went their way rejoicing.

Miss Florence Zink got home Friday evening from a year study in the state Normal at Peru. She has the position of principal at Bassett, and will visit here until school begins in September.

Mrs. B. B. DeFrance arrived here Sunday from Arthur, Iowa. Mr. DeFrance has had the position of night operator here for some time. And we hope that Mr. and Mrs. DeFrance will make their permanent home in Stuart.

John Robertson stole a march on the natives the first of the week when he went to Omaha on business and brought home a wife Wednesday. Miss Eva Hudson had been in California since last spring, and the affair was so quiet that the best friends of Mr. Robertson were surprised. Mr. Robertson is one of Stuart's leading business and stock men and his many friends are offering congratulations.—The Ledger.

**EWING**

T. S. Baker has just finished cutting and curing his English bluegrass. When in proper condition he intends to thresh out the seed, and it is estimated that it will yield a thousand bushels of clean seed, which he will put on the market at a reasonable price. Parties wishing to cultivate one of the best grasses grown, had better provide themselves with some of this seed and sow it.

Supervisor Skidmore had a force of men to work this week, straightening the Elkhorn river west of the bridge. The current will now follow the center of the river bed and not strike the north bank, washing out the abutment, as has always been the case during high water. It is a profitable investment, for every dollar thus spent, ten will be saved by not having to repair and lengthen the bridge.—The Advocate.

**Good Spirits.**

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.

Cured of Chronic Diarrhoea After Ten Years of Suffering.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and not use all of one bottle before I was well and I have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine." This remedy is for sale at P. C. Corrigan.
