

Ayer's

For coughs, colds, bronchitis, asthma, weak throats, weak lungs, consumption, take Ayer's Cherry Pectoral.

Cherry Pectoral

Always keep a bottle of it in the house. We have been saying this for 60 years, and so have the doctors.

"I have used Ayer's Cherry Pectoral in my family for 40 years. It is the best medicine in the world, I know, for all throat and lung troubles."

Wm. J. K. NORCROSS, Waltham, Mass.
J. C. AYER CO., Lowell, Mass.

The Lungs

Daily action of the bowels is necessary. Aid nature with Ayer's Pills.

This country is now in a high state of prosperity. Never before did all the economic forces work together so unitedly for national welfare and prosperity as during the last few years. Would it be wise to exchange that condition for one not merely of uncertainty but of almost certain disaster?

Talk about political economy. The Democrats of Massachusetts are considering the advisability of nominating Douglas, the Brockton shoe man, in order to save money on campaign lithographs, because the pictures of Parker and Douglas are as like as two wooden shoepegs.

Healthy Mothers.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Bochee's German Syrup would put a stop to it once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and re-freshing rest to the cough-racked consumptive. New trial bottles, 25c; large size, 75c. At all druggists.

"'Tis the Slogan"

As to the president's letter of acceptance, the Republican party and the thinking men of the country—those who have read and can understand—have but one comment: "Dinna ye hear it? 'Tis the slogan!"

Sour Stomach.

When the quantity of food taken is too large or the quality too rich, sour stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlin's Stomach and Liver Tablet and the sour stomach may be avoided. Liberal compensation for labor makes liberal customers for our products. The Republican policy of protection makes both.

ILLEGAL CORPORATIONS

President's Action in Enforcing Law Against Them.
[Northwestern Christian Advocate, Sept. 20.]

In holding large corporations to strict accountability to the law the president is serving the best interests of those corporations, as well as conserving the welfare of the country. All corporations which are operating on an unlawful basis should be compelled to conform to the law. If they cannot or will not they should go out of business. This, some have been forced by the lawless conduct of their promoters and operators to do, to the great loss of their stockholders. Many formerly wealthy men are now broken in fortune because corporations with which they were connected were formed and operated in violation of law. The action of the president in enforcing the law would prevent, not promote, such losses.

One of the crying needs of America today is such respect for the laws of the nation as the president has shown. He did not make the laws, but it is his duty to obey them. He has set an example which every citizen should follow. If that be done, we shall hear no more of mobs breaking into jails, defying police and militia, and hanging or burning prisoners suspected or convicted of crime, and burning property in a wild frenzy of disorder and lawlessness.

The Germans are usually found on the side of good government. They carry into the service of the state the same wholesome, practical ideas of economy and loyalty to trust which they practice in their domestic affairs. They hold public officials to a high accountability, and this is well.—Senator Fairbanks at Indianapolis, Sept. 3, 1890.

Raised From the Dead.

C. W. Landis, "Porter" for Oriental Hotel, Chanute, Kan., says: "I know what it was to suffer with neuralgia, deed I did, and I got a bottle of Ballard's Snow Liniment and was 'raised from the dead.' I tried to get some more, but before I had 'deposed' of my bottle, I was cured entirely. I am tellin' de truth too." 25c, 50c and \$1.00 at P. C. Corrigan.

What is Life?

In the last analysis nobody knows, but we do know that under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c at P. C. Here is a veritable Roosevelt family: E. R. Conley, a farmer who lives at Westfield, Ill., has six sons, six grandsons and three sons-in-law. All, including Mr. Conley himself, will vote for Roosevelt in November.

21 Years a Dyspeptic.

R. H. Foster, 318 S. 2d St., Salt Lake City, writes: "I have been lathered with dyspepsia or indigestion for 21 years; tried many doctors without relief; recently I got a bottle of Herbine. One bottle cured me, I am now tapering off the second. I have recommended it to my friends; it is curing them, too." 50c at P. C. Corrigan.

Devoured by Worms.

Children often cry, not from pain, but from hunger, although fed abundantly. The entire trouble arises from inattention, their food is not assimilated, but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once, very much to the surprise and joy of the mother. 25c at P. C. Corrigan.
