When you can't eat breakfast, take Scott's Emulsion. When you can't eat bread and butter, take Scott's Emulsion. When you have been living on a milk diet and want something a little more nourishing, take Scott's Emulsion.

To get fat you must eat fat. Scott's Emulsion is a great fattener, a great strength giver.

Those who have lost flesh want to increase all body tissues, not only fat. Scott's Emulsion increases them all, bone, flesh, blood and nerve.

For invalids, for convalescents, for consumptives, for weak children, for all who need flesh, Scott's Emulsion is a rich and comfortable food, and a natural tonic.

From South Africa New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writes from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby. This remedy is for sale by P. C. Corrigan.

A Four Recipe. "Don't talk to me about the recipes in that magazine," said Mrs. Lane, with great energy. "Wasn't that the very magazine that advised me to put on that sody solution and leave the tablecloth out overnight to take off those yellow stains?"

"I'm inclined to think it may have been," said Mrs. Lane's sister, with due meekness. "I sent you a number of them in the spring, I remember."

"Well, and what happened?" asked Mrs. Lane, with rising wrath.

"Didn't the stains disappear?" asked her sister.

"Disappear!" said Mrs. Lane in a withering tone. "It was the tablecloth that disappeared. I don't know anything about the stains."

A Continual Strain. Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its healthdestroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy body functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower 25c; regular size, 75c. At all druggists.

Late Beginnings. Sir Walter Scott began to write his celebrated novels at forty. Milton began "Paradise Lost" at fifty. When "East Lynne" appeared its author, Mrs. Henry Wood, was forty-five. Cromwell was forty-one when he began his public career. The year of the hegra was the fifty-third of Mohammed, and Marlborough reached his independent command at the same age. In spiritual examples Abraham was seventy-five when called out of Charan, and Moses was eighty when he stood before Pharaoh as the champion of Israel.

Not A Sick Day Since. "I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what E. F. Bass, of Fremont, N. C. writes. Only 50c at P. C. Corrigan druggist.

They Were All Right. "He was a typical backwoods farmer. His first visit to a city restaurant, however, had taken away none of the appetite he had at home, where everything was placed in large dishes on the center of the table and each one helped himself. The waiter had piled the food around the plate in the customary little dishes, which the farmer cleaned up in turn. Settling back in his chair, he hailed the passing waiter:

"Hey, there, young man! Your samples are all right. Bring on the rest of the stuff."—Judge.

Only Makes a Bad Matter Worse. Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and use of cathartics like the old fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by P. C. Corrigan.

Tom—What made you give me away so when I was telling that yarn at the dinner table? Dick—I didn't mean to; it was only a slip of the tongue. But that's no reason why you should have kicked me so hard! Tom—Oh, I didn't mean to—it was only a slip of the foot. —Detroit Free Press.

Ingratitude is a form of weakness. I have never known a man of real ability to be ungrateful.—Goethe.

A Runaway Bicycle. Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove, Ill. It developed a stubborn ulcer unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and Piles. 25c, at P. C. Corrigan drug store.

A watch's variation. As to the sympathetic vagaries of watches a correspondent writes: "I discovered some years ago that it was the metal buckle of my braces that caused the irregularities of my own particular watch. I therefore now make a rule of putting my spectacle case on the inside of my watch pocket, thus cutting off the connection."—London Chronicle.

Chamberlain's Stomach and Liver Tablets are becoming a favorite for stomach troubles and constipation. For sale by P. C. Corrigan.
