**John Bright's Reply.**  
On one occasion John Bright received a letter from a very bad writer, to which he replied:

Dear Sir—Many thanks for your letter of the 12th inst. I have no doubt but that it is a very good letter and that it contains matter as interesting as it is important; but, by the bye, if you should be in town in the course of a few days, would you mind just stepping in and reading it to me? Yours faithfully,

**The Best Liniment.**  
"Chamberlain's Pain Balm is considered the best liniment on the market," write Post & Bliss, of Georgia, Va. No other liniment will heal a cut or bruise so promptly. No other affords such quick relief from rheumatic pains. No other is so valuable for deep seated pains like lame back and pains in the chest. Give this liniment a trial and you will never wish to be without it. Sold by P. C. Corrigan.

**Healthy Mothers.**  
Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Bochee's German Syrup would put a stop to it once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and re-freshing rest to the cough-racked consumptive. New trial bottles, 25c; large size, 75c. At all druggists.
