The shortage of former treasurer, McGreevy, is \$779.39, however this amount will no doubt be collected either from his bondsmen or the amount realized on security given the city by Mr. McGreevy.

It appears there has never been a statement made of the city's financial affairs, and for the information of the tax payers a more detailed statement is given below:

The original railroad bond issue was 22 bonds for \$1000 each. One of these bonds was paid in full Aug. 1, 1901 and one paid in full Aug. 1, 1903. Another bond will be paid about August, 1905.

The judgment in favor of Finance Company, of Iowa, was originally \$3418.58 and was rendered for interest due on water bonds. Since 1901 there was paid on this judgment, \$1465.00.

The judgment of Addyston Pipe & Steel Company was rendered for warrants issued on the water rental fund issued in 1894 for pipe furnished in the extension of water mains. The original amount of this judgment was \$3129.88. Since 1901 there was paid on this judgment \$1465.00.

A statement is given below of the amount of general fund warrants registered since 1891 together with the amount of warrants redeemed during the same period except previous to 1896. The amount of warrants redeemed is not given as the records are not clear and it is impossible to give the exact figures.

Fiscal year ending May 1, 1891, \$3778 82	
1892, 3937 21	
1893, 4118 03	
1894, 3570 48	
1895, 2779 24	
1896, 2588 93	
1897, 2697 89	Paid during same period, \$ 971 51
1898, 1829 48	" " " 790 51
1899, 1916 14	" " " 680 79
1900, 3390 45	" " " 2418 34
1901, none	" " " 1678 21
1902, 750 00	" " " 1582 58
1903, none	" " " 1896 05
1904, none	" " " 1025 19
To January 1, 1905, none	" " " 1357 91

Since May 1, 1900, no portion of the tax levy has been used for current expenses, the entire amount being applied on the old indebtedness.

Of the \$750 of warrants registered in 1902, \$500 was given for the purchase of the building now used by the Firemen, the city still owning the building. \$250 was given in settlement of a damage suit.

A fact worthy of note is that since May 1, 1900, no salaries have been paid the officials except the city clerk, the mayor and councilmen agreeing to serve without compensation, a saving of \$200 per year or \$1000 for the past five years.

A comparison of the warrants registered shows clearly what has been done during the past five years in reducing the warrant indebtedness and it is safe to say that if the city's affairs are conducted economically for the next two years there will be no unpaid warrants.

I would recommend the funding of the water bonds, as no doubt new bonds bearing 5 per cent can be readily disposed of, whereas the present bonds bear 7 per cent, and from the present outlook cannot possibly be paid when due. By funding these bonds means a saving in interest of \$300 a year.
 J. F. GALLAGHER, City Treasurer.

Found a Cure for Indigestion.
 I use Chamberlain's Stomach and Liver Tablets for indigestion and find that they suit my case better than any dyspepsia remedy I have tried and I have used many different remedies. I am nearly fifty-one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to now—Geo. Emory, Rock Mills, Ala. For sale by P. C. Corrigan.

Bought Chamberlain's Cough Remedy and Sent it to Friends.
 Mr. F. W. J. Fletcher, a druggist in Victoria, Australia, says: "A customer of mine, was so pleased with Chamberlain's Cough Remedy, which she had used for her children when suffering from colds and croup, that during a fortnight's time she obtained at my shop, nine bottles, which she sent to her friends in different parts of the state, telling them to give it a trial." For sale by P. C. Corrigan.

Mr. Wm. S. Crane, of California, Md., suffered for years from rheumatism and lumbago. He was finally advised to try Chamberlain's Pain Balm, which he did and it effected a complete cure. This liniment is for sale by P. C. Corrigan.
