

# THE FRONTIER.

VOLUME XXV.

O'NEILL, NEBRASKA, THURSDAY, JANUARY 26, 1905.

NUMBER 31.

## LOCAL MATTERS

Ed Purdy was down from Atkinson yesterday.

Receiver Deaver of the land office had business at Omaha this week.

Dr. Corbett will be in his dental office and gallery from the 23d to 30th of each month. 17-1f

L. W. Enders of Redbird was a caller at The Frontier office yesterday, renewing his subscription.

Mrs. C. E. Hall is enjoying a visit from her brother, Mr. McMain, who is here from Blue Hill, Neb.

Guy Hamilton expects to depart next month for Seattle, Wash., to hew out his fortune in the northwest.

A dance was given Friday evening at the home of Mr. and Mrs. J. C. Carney in honor of William Carney and Joseph Enright.

Albert Eppenbough and Katie Reichert, both of the Scottville neighborhood, were united in marriage by County Judge Morgan yesterday.

County Clerk Gilmour yesterday turned over to the county treasurer \$1,571.36, excess fees received by the clerk during the year 1904.

A delegation from the local lodge of Royal Highlanders went to Atkinson yesterday afternoon to assist the lodge there in a demonstration last night.

Deputy Sheriff Thompson went to Ewing Tuesday to subpoena some forty witnesses to be examined at the retrial of the Nicolizack-Kimch case.

The Weleyn Quartet No. 2 will give a concert at Golden's hall on Saturday evening, Feb. 4. Tickets 25c. Under the auspices of the Epworth League.

Anyone having cattle, hogs or sheep for sale will do well by calling on me at the Merchants hotel. Will pay the highest market price at all times. John Miskimins. 31-2pd

Marriages in Holt county fell off a little during leap year from what they were the year previous. According to the marriage records in the county judge's office there were 111 marriages in 1904 as against 118 in 1903.

Dr. and Mrs. G. M. Mullen are over from Creighton for a few days, having come over to attend their brother's wedding. Dr. Mullen paid The Frontier a visit yesterday and left the customary compliments for his brother and bride as Will did not have time to made the rounds himself.

The ice men say there is an exceptionally fine quality of ice this winter. It is about a foot thick and clear as crystal. Fred Gatz is putting up about 1,200 tons and others smaller quantities for their own use.

That editors are not necessarily bound by the limited sphere of merely gathering news for the edification of their neighbors is shown by the following advertisement Bro. Smith prints in his Bugle at Chambers: "Ladies, do your shears fool around and hesitate about cutting? We grind them so they cut right for 5 cents."

A dozen or fifteen of O'Neill's business men—members of the commercial club—went to Sioux City yesterday and are still there. The Frontier received word last evening that they would not be home as expected and presumes they are going to stay until they can bring a construction train out to push the Great Northern through to Dunning.

At a special meeting of the fire department Monday evening it was voted to give the hall to the young ladies one evening each week. Last night a good-sized delegation of young ladies met at the hall and organized a basket ball club. We do not know how many daring acrobatic feats were performed, but judging from the pleased appearance of some of them nothing more difficult than a double somersault was attempted.

The month of January has been decidedly frosty. The mercury has been playing around the zero mark pretty much all the time, but it is with heartfelt gratitude we call to mind the kindness that will never be forgotten—the raw and gusty breezes usually sweeping over the frozen sod at this season of the year have been conspicuously absent. Yesterday morning the temperature was down to 22 below, and there have been several mornings just like it.

An item from Tecumseh in Tuesday Bee says: The attention of the county court here has been taken up for a day or two in the case of Edmund Taylor of Holt county against the estate of Charles C. Taylor, deceased, of this county. Mr. Edmund Taylor filed a claim against the estate for \$1,591, which he claimed was due him from the deceased for board. The claimant was represented by M. F. Harrington of O'Neill, and Hon. L. C. Champlin of this city. The defense was by Judge

S. P. Davidson of Tecumseh. The court found in favor of the estate, rejecting the claim.

The following resolution has been adopted by the board of supervisors Boyd county: "Mr. Chairman: I move that the chair appoint a committee of three to act in conjunction with the Holt county committee in locating a bridge across the Niobrara river at or near the mouth of Turkey creek and to take possession of the private funds contributed for that purpose amounting to \$1500 donated to Boyd county. Such funds to be returned to contributors in case said bridge is not constructed at said location inside of one year."

On Wednesday morning at 6:30 o'clock at the Catholic church in this city was solemnized the marriage of Dr. William H. Mullen of Bloomfield and Miss Anna, daughter of Mr. and Mrs. J. H. Hopkins. After the ceremony the wedding party repaired to the home of the groom's sister, Miss Anna Mullen, where an elaborate breakfast was spread. Only relatives and immediate friends were present. The newly married couple departed on the 9:40 Northwestern train for a wedding trip in the eastern part of the state and in Iowa, after which they go to Bloomfield, where Dr. Mullen is established in the practice of dentistry. Both bride and groom are too well known here to need any additional introduction on our part. The bride was a teacher in the O'Neill

school for a number of years, she resigning her position some two months ago. Both come from two of the most widely acquainted and prominent families in the county. J. H. Hopkins, father of the bride, was warden of the state penitentiary under Governor Poynter. Dr. Mullen has been one of O'Neill's young men who has worked himself to the front. He has attended some of the best schools in the state and graduated some two or three years ago from a dental college at Chicago. He first located at Spencer and later moved to Bloomfield, where he has built up a flourishing practice. The Frontier joins their many friends here in wishing Mr. and Mrs. Mullen much happiness.

One of the things it is to be hoped the commercial club will take in hand to urge upon the city council at an early date is some sort of street lights. On a dark night pedestrians either have to feel their way along the streets or light up their pathway by carrying a lantern. A town the size of O'Neill ought to afford street lights at least at the principal crossings. A few good lamps fitted on posts in the most needy places would not bankrupt the town and would go a long way toward making navigation by night more secure.

Senator Gilligan was up from Lincoln over Sunday. The senator expressed himself in hopes of seeing the bill pass reducing the number of judicial districts.

## DISTRICT COURT MATTERS

Bernard McGreevy was admitted to bail in district court in the sum of \$3,000 and on Saturday evening was released from the custody of Sheriff Hall, having secured a bond acceptable to the court in the following persons: John McGreevy, W. R. Butler, Mary Butler and Thomas Naughton.

An additional \$1,000 was added to the bonds required to cover a complaint filed against McGreevy by Peter Kelly for having accepted a deposit of \$600 from him when the bank of which McGreevy was president was insolvent.

It is understood that McGreevy will be tried at the April term of court, which will begin April 10.

The criminal case of the state against Joseph Nickolizack for the alleged assault of Lena Kimch, in which the first jury failed to come to a verdict after several days deliberation, was taken up for retrial yesterday. A large number of witnesses have been called and a jury drawn from the west end of the county.

In the case of the state against Charles and Bert Miller, alleging cattle stealing, the jury returned a verdict of not guilty.

E. S. Eves, formerly publisher of the Independent, had a round in district court with the board of supervisors. Mr. Eves brought action to recover on a claim for printing which had been materially cut by the board. The claim covered to separate bills, one for \$182.40 and one for \$261.10. The two claims were cut by the board and the whole allowed in the sum of \$108.37. It was found by the board that the publisher had never been authorized to print much of the work charged for. The jury allowed Mr. Eves just what the board had, \$108.38.

## Special School Meeting

The school board of the O'Neill district has issued notices of a special meeting of the electors of the district to be held at the school house on February 11 at 3 p. m. for the purpose of advising the board what to do toward securing the district's funds held by the late treasurer, Bernard McGreevy.

The object of the meeting is fully set forth in the following petition addressed to the school board and signed by some fifteen or twenty voters of the district:

That, whereas, Bernard McGreevy, treasurer of school district number 7, of Holt county, is indebted to said

district as treasurer in amount unknown to us and, whereas, said Bernard McGreevy as treasurer did on the 19th day of November, 1904, make, execute and acknowledge and caused to be recorded a mortgage on the 25th day of November, 1904, for the sum of \$2,711.41, and on all of section 35, township 29, range 12, and purporting to secure a note of said amount bearing the same date, payable to said school district one year after date and bearing interest at 8 per cent per annum, said note and mortgage not having been delivered to said school district or to the school board thereof and not having been up to this date accepted by said school district from said McGreevy. And, whereas, we understand that said McGreevy proposes to turn over to said school district said note and mortgage in settlement of his indebtedness to said district, and, whereas, the funds of said school district had been deposited in the Elkhorn Valley bank of the city of O'Neill by said McGreevy as treasurer and to the credit of said school district in said bank, said bank now being insolvent and in the hands of a receiver; that the time fixed for the filing of claims against said bank will expire in 60 days from January 28, 1905, and no settlement has been made by said school board by said McGreevy, as treasurer, and said school board has no authority to settle with said McGreevy, as treasurer, and no authority to file a claim against said bank and no authority to accept said note and mortgage offered by said McGreevy.

Now therefore we, the undersigned legal voters of said district, do hereby petition said board to call a special meeting at the school house in the city of O'Neill, in said district, on the 11th day of February, 1905, at 3 o'clock p. m., for the purpose of ascertaining the amount due said district from said McGreevy, and for the purpose of determining whether said district will accept said mortgages and note before described in settlement with said McGreevy, as treasurer of said school district, or file a claim against said bank, or institute legal proceedings against said McGreevy to recover the amount due said district from said
