

Ayer's Sarsaparilla

You know the medicine that makes pure, rich blood—Ayer's Sarsaparilla. Your mother, grandmother, all your folks, used it. They trusted it. Their doctors trusted it. Your doctor trusts it. Then trust it yourself. There is health and strength in it.

"I suffered terribly from indigestion and thin blood. I found no relief until I took Ayer's Sarsaparilla. Four bottles permanently cured me."
 Mrs. F. R. HART, Mt. Kisco, N. Y.

Rich Blood

Ayer's Pills are gently laxative. They greatly aid the Sarsaparilla.

Bumper Crops in Northern Minnesota and North Dakota.
 The crops in Northern Minnesota and North Dakota were never better. Thousands of harvest hands will be required in that country to help the farmers to harvest. The Great Northern Railway has now ranged for special low rates to assist the farmers in being able to secure competent help, occasioned by the large crop and extensive railroad building in North Dakota, which, in itself, employs a good many hands. In the western part of North Dakota free government land can be had under the homestead laws. Go and get a home now and pay expenses while investigating. There are thousands of people who went to North Dakota as farm laborers who are now land owners. For rates and detailed information call on your local agent or write to F. I.
