Kloke and Purdy were fishing for pickerel from a boat Mr. Kloke had a strike and as he went to land him he broke loose and got away with the hook and a part of the line, a moment after Mr. Purdy had a strike and after landing a fine pickerel they discovered they had captured the same fish with the lost hook and line in his mouth.—The Graphic.

There will be no chance in the management of the First National bank, of which Mr. Weaver is president, as he expects to be in Stuart a part of the time in future.—The Ledger.

Insomnia and Indigestion Cured.
"Last year I had a very severe attack of indigestion. I could not sleep at night and I suffered most excruciating pains for three hours after each meal. I was troubled this way for about three months when I used Chamberlain's Stomach and Liver Tablets and received immediate re-

lief," says John Dixon, Tullamore, Ontario, Canada. For sale by P. C. Corrigan.

New Cure For Cancer.

Walters of Duffield, Va., writes: "I had a cancer on my lip for years that seemed incurable till Bucklen's Arnica Salve healed it and now it is perfectly well." Guaranteed cure for cuts and burns. 25c at Corrigan's drug store.

Eyes as a Sign of Intellect.

Generally the special point of difference between unimportant and remarkable people lies in their eyes, in the clear, steady, piercing gaze which is able to subdue or terrify the beholder, writes Lady Violet Greville in the Graphic. Sir Richard Burton's look could never be forgotten; neither, I imagine, could Napoleon's or Victor Hugo's or that of any other great man. The eye is the window of the brain, and through it shines the intelligence.

Nothing to Fear.

Mothers need have no hesitancy in continuing to give Chamberlain's Cough Remedy to their little ones as it contains absolutely nothing injurious. This remedy is not only perfectly safe to give small children, but is a medicine of great worth and merit. It has a world wide reputation for its cures of coughs, colds and croup and can always be relied upon. For sale by P. C. Corrigan.

Don't Borrow Trouble.

It is a bad habit to borrow anything, but the worst thing you can possibly borrow is trouble. When sick sore, heavy, weary and worn out by the pains and poisons of dyspepsia, biliousness and Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Electric Bitters. Here you will find sure and permanent forgetfulness of all your troubles and your body will not be burdened by a load of debt disease. At Corrigan's drug store, price 50c guaranteed.

A WATCH'S VARIATION.

As to the sympathetic vagaries of watches a correspondent writes: "I discovered some years ago that it was the metal buckle of my braces that caused the irregularities of my own particular watch. I therefore now make a rule of putting my spectacle case on the inside of my watch pocket, thus cutting off the connection."—London Chronicle.

Full of Tragic Meaning

Are these lines from J. H. Simmons of Casey, Ia. Think what might have resulted from his terrible cough if he had not taken the medicine about which he writes. "I had a fearful cough that disturbed my night's rest. I tried everything but nothing would relieve it until I took Dr. King's New Discovery for Consumption, Coughs and Colic, which completely cured me." Instantly relieves and permanently cures all throat and lung diseases; prevents grip and pneumonia. At Corrigan's, druggist, guaranteed. 50c and \$1. Trial bottle free.

Wounds, Bruises and Burns.

By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they will heal without maturation and in about one-third the time required by the old treatment. This is the greatest discovery and triumph of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries causes them to heal very quickly. It also allays the pain and soreness and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale by P. C. Corrigan.
