Townships of Chambers, Lake and Conley to Vote on Bond Proposition.

The following is the proposition before the voters of Chambers, Lake and Conley townships, to be voted on February 27. The proposition is the same for each township except in the amount and number of coupon bonds. For Conley township nine bonds of \$500 each, or a total of \$4,500, are proposed; for Lake seven bonds of \$700 each, or a total of \$4,900, are proposed.

Here is the proposition as it appears on the official ballot for Chambers township:

"Shall the Board of Supervisors of the County of Holt, State of Nebraska, issue coupon bonds of Chambers township in the aggregate sum of \$8,400, twenty-one bonds in denominations of \$400 each, due and payable twenty years from February 1, 1906, drawing interest at the rate of 5 per cent per annum, payable annually; the proceeds of the sale of said bonds to be used in aiding the construction of a line of railroad passing through the County of Holt and through the said Chambers township, said proceeds to be given to the Midland Central Railroad Company when said railroad is built and when trains are operating thereon, but said bonds are not to be delivered until the said railroad is built and trains are being operated thereon by the 1st day of February, 1907?"

"And shall the Board of Supervisors, or the persons or officers charged with levying the taxes of said Holt County each year until said bonds have been paid, levy upon the taxable property of said Chambers township a tax sufficient to raise \$420 to pay the interest and a tax sufficient to raise \$420 to pay 5 per cent of the principal of said bonds at maturity; and shall the said officers at the last tax levy provided for by general law proceeding the maturity of said bonds levy upon the taxable property of said Chambers township a sufficient sum to pay the principal and interest not otherwise provided for then unpaid upon said bonds; and shall the Board of Supervisors of said Holt County negotiate and sell said bonds at their par value; and shall said Board negotiate and sell said bonds for not less than their par value?"

THE W. C. T. U. CORNER

"For God and Home and Native Land"

MRS. EMMA KELLEY, SUPT.

All the saloons in Minneapolis were closed on Sunday, Nov. 19, the first time in 16 years.

The mayor of Dubuque, Iowa has issued an order forbidding keepers of dance halls to permit the attendance of young boys and girls and has instructed the police to see that the order is rigidly enforced.

On entering the "corner" we wish in behalf of the Union to express our hearty appreciation for this favor, and in our monthly visits, we hope to furnish the readers with some of the current events of the great reform movements, that is sweeping the length and breadth of our land.

Francis Willard was an organizer. She organized for women, through women. She often said, "alone we can do little, separated we are the units of weakness; but aggregated we become batteries of power. Agitate, educate, organize, they are the deathless watchwords of success."

Gov. Hanly is vigorously pushing the contest against the saloon in Indiana. There are 1,028 townships in the state, in 608 of which there are no saloons. Since the first of last May 290 saloons have been closed by remonstrances. The liquor men are thoroughly alarmed at the progress of reform in country towns.

Our "white ribboners" may well thank providence and as well congratulate themselves for the many good things recently introduced into the body politic. One is, that our largest cities have each as Police Matron who is constantly doing temperance work, that tells in both preventives and reformatory work. Another is the "Juvenile Court Law." Judge W. A. Redick of Douglas Co. in a recent address said, "Juvenile court law is one of the recent accomplishments of modern civilization." Under the old law the offending child alone was looked upon as the culprit, but the juvenile court places the responsibility where it belongs on the parents. Under the old law parents were punished for actual cruelty; but for allowing their children to hook on cars, go into saloons, play around railroad yards, use obscene or profane language. In other words, to run wild with no attempt at restraint, there was no legal remedy. In our own city it might be well to try the juvenile court law. What think ye?

Sick Headache. This distressing ailment results from a disordered condition of the stomach. All that is needed to effect a cure is a dose or two of Chamberlain's Stomach and Liver Tablets. STILL MAKING ARRESTS

Department Not Through With Land Grabbers Yet.

GETTING CLOSE TO "BIG GUNS"

Arrest I. D. Hull, Reputed Agent of Richards and Comstock.—Subornation of Perjury.

Omaha Bee: Irving D. Hull of Mirage, Cherry county, was arrested by Deputy United States Marshal John Sides Saturday, taken before United States Commissioner E. M. Slattery at Chadron and bound over to the federal grand jury in \$3,000 bonds on the charge of subornation of perjury in securing fraudulent land filings for D. W. C. Huntington and Thomas M. Huntington, bankers at Gordon. Thomas M. Huntington is president of the Maverick Loan and Trust company at Gordon.

The charge against Hull also implicates him in securing fraudulent filings for J. W. Ostrander and the Modisett brothers at Rushville. The arrest of Hull was brought about through the investigation of the secret service agents under charge of Chief Secret Service Agent L. C. Wheeler of Omaha.

It is the presumption of the secret service agents that Hull operated for Bartlett Richards and W. G. Comstock in securing filings within the Spade ranch and for the Hewitt, Morey and Overton and the "U Cross" and "C" Bar ranches, which are owned or leased by Richards and Comstock.

The "U" Cross ranch is owned by E. C. Harris of Chadron and Earl Comstock of Los Angeles, which is within the Richards and Comstock enclosures. It is also rumored Studebaker Bros., wagon and vehicle makers of South Bend, Ind., are interested in some of these ranches.

It has been ascertained through the secret service agents that D. W. C. Huntington and Thomas W. Huntington are interested in the bank at Mullen, which cut an important figure in the recent trial of Rev. George G. Ware, for conspiracy in procuring fraudulent land filings in Hooker county, of which charge Ware recently was convicted.

The total number of acres of public lands alleged to be under illegal fence, including the Richards and Comstock enclosures, is 399,520 acres. The Overton and "C Bar" ranches are connected and all of the ranches are in the same general vicinity and all are located in Cherry and adjacent counties.

J. W. Ostrander, for whom Hull is charged with procuring filings, is a nephew of the San Francisco sugar king, Claus Spreckles.

A Healing Gospel.

The Rev. J. C. Warren, pastor of Sharon Baptist Church, Belair, Ga., says of Electric Bitters: "It's a God-send to mankind. It cured me of lame back, stiff joints, and complete physical collapse. I was so weak it took me half an hour to walk a mile. Two bottles of Electric Bitters have made me so strong I have just walked three miles in 50 minutes and feel like walking three more. It's made a new man of me." Greatest Liver and Kidney complaints. Sold under guarantee at Corrigan's Drug Store. Price 50c.

FREE AT OUR STORE While They Last See Our Radiumite Window Display

We have received a fine new, special lot, of handsome, hand-forged, hollow round Radiumite Razors that usually sell at \$2.00 each at retail, which will give away absolutely free to advertise the wonderful

RADIUMITE DOLLAR RAZOR STROP

which is light, pliable, durable, convenient, and safe, and which is revolutionizing the art of shaving.

A RAZOR GIVEN FREE TO THE PURCHASER OF EACH STROP

CALL TODAY AS THEY ARE GOING FAST. We make this remarkable free offer of a most excellent razor, that sells at \$2.00 at retail, to acquaint all with the marvelous and instantaneous honing and finishing properties of the Radiumite Strop, which will not harm the finest and most delicate razor. They make shaving a convenience and a delight, even to men having the hardest beards. The secret of a quick, clean shave does not lie so much in a good razor as in a good strop. With the RADIUMITE STROPS the most inferior razors are brought up to a fine edge, and the effect of the strop upon the finest razors is to keep them still times in the best possible condition, ready to shave the hardest beards easily and delightfully. Each Radiumite Strop is sold under the positive guarantee that if it is not satisfactory money will be refunded. They are for either Ordinary or Safety Razors.

Radiumite Stropps, 50c to \$2.50; Razors, \$1 to \$3

DANGER LOOKS IN THE USE OF ANY STROP BUT A RADIUMITE! Horrible skin diseases, such as GUNGE, BLEMISHES, SORES, AND BOOD PORES, often result from the use of imperfectly stropped razors that cut, irritate and open the skin, thus admitting the terrible bacilli that lurk in the animal parts of shaving soaps, hair shaving brushes, and in the air itself.

THE ONLY PERFECT STROP IS THE RADIUMITE

Don't use the worn-out, heavy, double common cow strops; generally sold, and with which some dealers out of fear will try to afflict you. They are so much old junk, pure and simple. The word Radiumite stands for perfection in razor strop making. Buy a Radiumite strop and take no substitute—no matter how handsome it may appear. Danger lurks in the use of any strop but a Radiumite.

NEIL BRENNAN

Common Colds are the Cause of Many Serious Diseases.

Physicians who have gained a national reputation as analysts of the cause of various diseases, claim that if catching cold could be avoided a long list of dangerous ailments would never be heard of. Every one knows that pneumonia and consumption originate from a cold, and chronic catarrh, bronchitis, and all throat and lung trouble are aggravated and rendered more serious by each fresh attack. Do not risk your life or take chances when you have a cold. Chamberlain's Cough Remedy will cure it before these diseases develop. This remedy contains no opium, morphine or other harmful drug and has thirty years of reputation back of it, gained by its cures under every condition. For sale by P. C. Corrigan.

Call at Horriskey's grocery store and see the nice rocking chairs he is giving away.

A Habit to be Encouraged.

The mother who has acquired the habit of keeping on hand a bottle of Chamberlain's Cough Remedy, saves herself a great amount of uneasiness and anxiety. Coughs, colds and croup to which children are susceptible are quickly cured by its use. It counteracts any tendency of a cold to result in pneumonia, and if given as soon as the first symptoms of croup appear, it will prevent the attack. This remedy contains nothing injurious and mothers give it to little ones with a feeling of perfect security. Sold by P. C. Corrigan.

The Yellow Fever Germ.

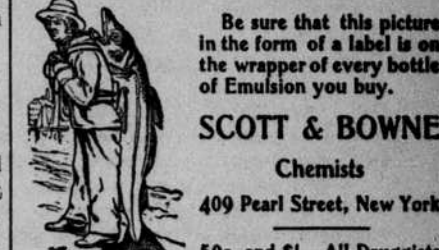

has recently been discovered. It bears a close resemblance to the malaria germ. To free the system from disease germs, the most effective remedy is Dr. King's New Life Pills. Guaranteed to cure all diseases due to malaria poison and constipation. 25c at P. C. Corrigan's Drug Store.

All Run Down

THIS is a common expression we hear on every side. Unless there is some organic trouble, the condition can doubtless be remedied. Your doctor is the best adviser. Do not dose yourself with all kinds of advertised remedies—get his opinion. More than likely you need a concentrated fat food to enrich your blood and tone up the system.

Scott's Emulsion of Cod Liver Oil

is just such a food in its best form. It will build up the weakened and wasted body when all other foods fail to nourish. If you are run down or emaciated, give it a trial: it cannot hurt you. It is essentially the best possible nourishment for delicate children and pale, anaemic girls. We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
