MARINES CLASH WITH INSURGENTS

Twenty Americans Dispersed Large Force and Capture 39 Belligerents.

RESCUERS WERE TAKEN

Force Proceed to American Headquarters and Demand Release of Prisoners, but Leader and Many Followers Are Captured.

Havana, Oct. 9.—The first landing of American soldiers in the present occupation of Cuba was accomplished yesterday with marvelous promptness, and now the second and third battalions of the Fifth United States infantry are settled under canvas in Camp Columbia. The first and fourth battalions of the same regiment, which arrived in the afternoon, also were sent out to the camp promptly. General Frederick Funston established his headquarters at Mariano, convenient to his command. Colonel L. W. T. Waller, commanding the marines, has been ordered to report to General Funston, and the entire force of regulars and marines will be under Funston's command until the arrival here next Tuesday of General J. Franklin Bell, who will direct the distribution of the forces throughout the island.

Within an hour from the time that the transport Sumner came alongside the railroad wharf the disembarkation had been completed, and the 850 men composing the second and third battalions had been transported on street cars direct to the camp. Their equipage and supplies were taken on freight cars by another route. The movement was so skillfully handled that the men prepared their midday meal from their own rations. The men are in good condition and are pleased with their camp and its pleasant surroundings.

Better Progress in Disarming.

The disarming of former insurgents went on much better yesterday. Reports from members of the disarmament commission in various provinces indicate that the trouble which was threatened Saturday may be avoided, although ex-rebels and volunteers in a few towns in Santa Clara province are still disinclined to be the first to disarm, and it is feared that American soldiers will have to be sent to back up the demands of the disarmament commission. Havana, Santiago, Pinar del Rio, Mantanzas and Puerto Principe provinces are practically clear of rebels and show no signs of trouble.

Governor Taft, Assistant Secretary of State Bacon and General Funston are gratified at the situation, and believe that the difficulties in Santa Clara province will be overcome in a few days. So confident are they that Secretary Taft and Mr. Bacon say they will be able to start for home on next Saturday.

Fired on Rebel Camp.

Dispatches received by the Associated Press from Sancti Spiritus, where the Santa Clara commission is working, indicate that the ex-rebels in that province are not yet entirely reconciled to disarmament, and General Machado has reported that volunteers fired on a rebel camp, causing the serious drawback to the operations. The disarming at Sancti Spiritus is proceeding, but the usual difficulty is encountered in that the ex-rebels seek to evade surrendering their guns while the volunteers still carry theirs. The situation there is especially irritating, as groups of volunteers with guns march up and down the streets and taunt the dispersed and disarmed rebels.

In a fight an ex-rebel killed a comrade and fled to the mountains.

The people of Sancti Spiritus are greatly dissatisfied with the mayor and police and have petitioned for their immediate removal.

Havana, Oct. 9.—A detachment of 200 insurgents today rode into Caridad, a suburb of the city of Puerto Principe, waving machetes and threatening the people. Twenty American marines disbursed the insurgents and arrested thirty-nine.

General Caballero, the insurgent leader, with 100 men, thereupon proceeded to the headquarters command of the marines and demanded the release of the captured prisoners. Instead of releasing them the Americans disarmed Caballero and all followers who could be caught.

Caballero promised that all insurgents under his command would disarm.

May Not Send More Troops.

Washington, D. C., Oct. 9.—Owing to the satisfactory aspect of affairs in Cuba, Taft has been asked by cable if in his judgment it is necessary to send to the island more troops than the 900 now on board the transport Sumner, due in Havana in a day or two. He has not yet responded.

Taft says he has no intention of turning back any portion of the expedition of 5,500 regular troops ordered to Cuba. He feels that this number is needed as a precaution against future trouble.

IROQUOIS MANAGER GETS A CHANGE

Trial Resulting from Loss of 600 Lives in Theater to Be in Danville.

Chicago, Oct. 9.—The indictment charging manslaughter against Will J. Davis, manager of the Iroquois theater at the time fire destroyed the building, which cost so many lives, has been set to be tried in Danville, Ill. The date of the trial has not yet been decided.

The fire in the theater occurred at a matinee performance of "Mr. Bluebeard," December 30, 1903, when the explosion of a spotlight ignited the elaborate scenery, the flames sweeping with the fury of a blast furnace out over the audience, killing many where they sat. The total death list, from fire and panic, ran over 600. The change of venue to Danville has been taken at the instance of the defendant.

DOWIE ABANDONS MEXICAN COLONY

Claims That in a Vision He Heard a Voice Ordering Him to Do So.

Chicago, Oct. 9.—John Alexander Dowie's plan for a Mexican colony was abandoned in obedience to a command received by Dowie in a vision that came to him last Friday night and which lasted five hours, according to announcement made yesterday by Deacon Arrington, one of Dowie's followers, who has remained loyal to the deposed prophet. The scheme, Deacon Arrington said, was relinquished in favor of another that contemplates the raising of $1,
