-That's what a prominent lruggist said of Scott's Emulsion a short time ago. As a rule we don't use or refer to testimonials in addressing the public, but the above remark and similar expressions are made so often in connection with Scott's Emulsion that they are worthy of occasional note. From infancy to old age Scott's Emulsion offers a reliable means of remedying improper and weak development, restoring lost flesh and vitality, and repairing waste. The action of Scott's Emulsion is no more of a secret than the Joe Bigler marketed a fine load of composition of the Emulsion itself. What it does We regret to hear of Wm. Other teachers are planning work of the same nature for the near future. Later we expect to print the number of districts which have done work along this line.

There is no line of work which will be more appreciated than that of giving boys and girls an opportunity for self culture. We know not now many minds may have been set aflame, and have become really great by the read-

The Minstrels.

Harry Ward, the well-known Minstrel favorite, will bring to the operahouse on December 4, the greatest white minstrel company ever seen in America. It goes without saying that This company, as usual, is composed of the pick and cream of the minstrel profession, and each artist is a star in himself. A dream of beauty in the way of an electrical first part setting is a feature with the attraction, and a sextette of male voices, led by a phenomenal 8-year old boy soprano, Master Carl, is reported to be the greatest musical treat in minstrelsy. Of course the band is fine and the orchestra first-class. Get your seats early. See the parade.
