

The Backbone of a Mighty Nation

is good food—food for brain, food for brawn, food that is strengthening, that gives energy and courage. Without a proper appreciation of this great fundamental truth no nation can rise to greatness.

As an article of food, soda crackers are being used more and more every day, as is attested by the sale of nearly 400,000,000 packages of **Uneeda Biscuit**, which have come to be recognized as the most perfect soda cracker the world has ever known.

And so **Uneeda Biscuit** will soon be on every table at every meal, giving life, health and strength to the American people, thus in very truth becoming the backbone of the nation.

Have you been asking yourself questions?

Have you been saying over and over to yourself—"What shall it be?" Day after day hundreds of people ask themselves that question, and day after day it goes unanswered.

For no amount of at home imagining will recall to mind even a small portion of the articles that enter into the consideration—and until you have seen OUR stock you will fall far short of knowing the pleasure of choosing from heaped-up values.

Our stock answers all questions

A visit here will reveal "suitables" to make choosing easy for you. And though Xmas is still two weeks away—it's a pleasurable time to shop—no crowds, ample time, and stocks without a dent in them.

this Xmas jewelry will be "it"

again as usual. Each succeeding Christmas makes greater demands upon us. This year we are ready for the "biggest yet." Have more of everything. And while the variety is just about endless, there is also that daintiness, that charm that is a part of every well-chosen jewelry stock.

As we hinted—be ahead of the crowd. Glad to give you all the time you ask. Glad to lay aside your selections until the eventful day.

For Thin Babies

Fat is of great account to a baby; that is why babies are fat. If your baby is scrawny, Scott's Emulsion is what he wants. The healthy baby stores as fat what it does not need immediately for bone and muscle. Fat babies are happy; they do not cry; they are rich; their fat is laid up for time of need. They are happy because they are comfortable. The fat surrounds their little nerves and cushions them. When they are scrawny those nerves are hurt at every ungentle touch. They delight in Scott's Emulsion. It is as sweet as wholesome to them.

Send for free sample.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
