### FREY CASE ON.

#### Big Damage Suit Now In Progress In Court.

Interests in the present session of district court is at present centered in the trial of the Frey damage suit, instituted by Elizabeth A. Frey of Stuart against numerous wholesale and retail liquor dealers and bond companies to recover the sum of \$30,000 for the death of her husband last September, whose death is alleged to have been caused by the excessive use of liquor. The deceased was a liquor dealer at Stuart and the large amount of damage is sought on the grounds that liquor furnished by the several defendants named in the petition caused his death.

The trial is drawing a large attendance at the court room. An unusual array of legal talent is in evidence to combat the case, while M. F. Harrington is prosecuting the same associated with R. M. Johnson. The attorneys for the defendants are as follows:

James Hamilton of Omaha for the Storz Brewing Co., George W. Shields of Omaha for Henry Rohlf, the Title Guarantee Co., Herman Schaffer, John Sautler, Balthas Sautler, Emil Gall, Edward Mauer and Joe Wiesner, G. W. Gordon of La Crosse, Wis., and R. R. Dickson of O'Neill for Gund Brewing Co., Bert Mapes of Norfolk for Charles Rice and the U. S. Fidelity and Guarantee Co., E. F. Gray of Fremont for L. P. Larson et al., Isadore Ziegler of Omaha for Fred Krug Brewing Co., Charles E. Clapp

of Omaha for Pabst Brewing Co., W. H. DeFrance of Omaha for Annheuser-Busch Brewing Co., Ignatius J. Dunne for J. S. Cross and John F. Murphy, W. W. Salbaugh of Omaha for Jacob Kopp, W. L. Elsasser and Augusta Yager, Edward H. Whelan of O'Neill for Pabst Brewing Co.

These numerous defendants are made parties to the suit as jointly liable. A move was made at the opening of the case Monday on part of the defendants to have the case dismissed because on January 19 a default judgment was entered in district court against Jacob J. Ripp for the full amount asked, \$30,000, Ripp being one of the original defendants in the case. This plan miscarried by Judge Harrington overruling the motion.

After some amendments to the original petitions and answers a jury was empaneled and the case proceeded with. The jury is composed of the following, nearly all farmers: William Butler, L. Grunstead, N. S. Butler, C. P. Conger, M. O. Howard, W. W. Bethea, George Sturdevant, C. F. Ross, Joseph Rhodes, T. T. Waid, George Travers and Peter Sigler.

Tuesday afternoon the taking of testimony in the shape of depositions was begun. These depositions were from Omaha parties and recounted some incidents of visits of John Frey to Omaha in which the rounds of the saloons were made with the one testifying in the deposition. Oral testimony was taken up about 11 o'clock Wednesday forenoon, when Dr. Co-burn of Stuart was called to the stand

and testified that John Frey had died of alcoholism. Other witnesses were called to show where Frey procured liquor.

It is thought it will take the balance of the week to complete the case.

#### Mr. Martin Dies Suddenly

The sad intelligence was received this morning that Bennet Martin died suddenly in Omaha, where he had been for some weeks past taking medical treatment. He had been in an ill state of health for the past two years or more and had been at the hospital frequently during that time.

It was reported that he was getting along well and the news of his sudden death is a great shock to the community. The body will no doubt be sent here at once.

D. H. Cronin, Postmaster.

Atkinson Graphic: The fire ladders held a business meeting Monday night, and among other matter it was decided to inspect and repair all hydrants at least three days before a fire.

It is generally admitted that there is a bright class of people at Atkinson, but it will be news to the public to learn that their firemen can tell three days in advance when there will be a fire.
