**ARE YOU DEAF? ANY HEAD NOISES?**

**ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE**

by our new invention. Only those born deaf are incurable. **HEAD NOISES CEASE IMMEDIATELY.**

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,

F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and fitting free. **YOU CAN CURE YOURSELF AT HOME** at a nominal cost.

Always sure-fire, always giving an even spread of shot and good penetration, their great superiority is testified to by sportsmen who use Winchester Factory Loaded Shells in preference to any other make. **ALL DEALERS KEEP THEM**

**GRASSHOPPER HISTORY**  
(Continued from first page.)  
great consternation of some of the settlers who dreaded them and prognosticated the country's approaching doom, but that year we got a late and severe frost and in a week afterwards there was not a grasshopper to be found in the settlement.  
This grasshopper scare had a very depressing effect on the settlers so much so that many of the more timid ones picked up their few "traps" and left for good. The settlement was grasshoppered three different times and in as many years, but the one of 1876 was the worst of all.
