

Perfect Womanhood

The greatest menace to woman's permanent happiness in life is the suffering that comes from some derangement of the feminine organs. Many thousands of women have realized this too late to save their health, barely in time to save their lives.

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study.

If a woman finds that her energies are flagging, that she gets easily tired, dark shadows appear under her eyes, she has backache, headache, bearing-down sensations, nervousness, irregularities or the "blues," she should start at once to build up her system by a tonic with specific powers, such as

Lydia E. Pinkham's Vegetable Compound
the great woman's remedy for woman's ills, made only of roots and herbs. It cures Female Complaints, such as Dragging Sensations, Weak Back, Falling and Displacements, Inflammation and Ulceration, and all Organic Diseases, and is invaluable in the Change of Life. It dissolves and Expels Tumors at an early stage. Subdues Faintness, Nervous Prostration, Exhaustion, and strengthens and tones the Stomach. Cures Headache, General Debility, Indigestion, and invigorates the whole female system. It is an excellent remedy for derangements of the Kidneys in either sex.

Don't Poison Baby.

FORTY YEARS AGO almost every mother thought her child must have PAREGORIC or laudanum to make it sleep. These drugs will produce sleep, and A FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody without labelling them "poison." The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrups," etc. You should not permit any medicine to be given to your children without you or your physician know of what it is composed. **CASTORIA DOES NOT CONTAIN NARCOTICS**, if it bears the signature of Chas. H. Fletcher.

Open Sesame!
From Harper's Weekly.
A well known New Yorker who spends a good part of his time in Paris relates how he once met a fellow countryman who invariably sported a huge red badge bearing the legend of the national republican committee.
After a time the New Yorker's curiosity got the better of him, and he asked his fellow countryman why he was displaying such an emblem to the foreigners.
"It's just this way," cheerfully explained the other. "One day, at one of the big hotels, I noticed a number of chaps who got the best of me at all times. I thought me that it would be a good idea to consult one of the waiters as to the reason. Incidentally, I tipped him.
"A great light burst upon me when I was politely informed by the waiter that one of the gentlemen indicated wore the Legion of Honor, that the other sported the insignia of the Order of the Star of India, and that the third was the proud possessor of the Order of St. Michael and St. George. Gentlemen wearing these and other orders, added the waiter, were invariably given the utmost consideration.
"It didn't take me long to drop in line. I dug down into my trunk and pulled out the badge you now see adorning my manly chest. I put it on and have worn it ever since. Of course none of our French friends has the least idea what it represents, but it's a decoration, and that goes with them! Since I donned it nothing has been too good for me."

Court or Caught.
From Harper's Weekly.
"Sold your automobile, eh?" exclaimed Wyss. "What was the trouble?"
"Couldn't control it," explained Acher. "When I ran fast it took me to the police court, and when I ran slowly it didn't take me anywhere."
Most of the money a man could save if he had no bad habits wouldn't be any fun to him if he didn't have them.

DOES YOUR BACK ACHE?
Profit by the Experience of One Who Has Found Relief.
James R. Keeler, retired farmer, of Fenner St., Cazenovia, N. Y., says: "About fifteen years ago I suffered with my back and kidneys. I doctored and used many remedies without getting relief. Beginning with Doan's Kidney Pills, I found relief from the first box, and two boxes restored me to good, sound condition. My wife and many of my friends have used Doan's Kidney Pills with good results and I can earnestly recommend them."

STOMACH ON STRIKE

SUCCESSFUL TONIC TREATMENT FOR INDIGESTION.

Dr. Williams' Pink Pills Cured This Woman and Have Cured Many Hundreds of Other Cases of Common Ailments.

Loss of appetite, coated tongue, bad taste in the mouth, heavy dull headache and a dull, sluggish feeling—these are the symptoms of stomach trouble. They indicate that the stomach is on a strike; that it is no longer furnishing to the blood the full quota of nourishment that the body demands, hence every organ suffers.

There are two methods of treatment, the old one by which the stomach is humored by the use of predigested foods and artificial ferments, and the new one by which the stomach is toned up to do the work which nature intended of it. A recent cure by tonic treatment is that of Mrs. Mary Stackpole, of 81 Liberty street, Lowell, Mass. She says: "I suffered constantly for years from stomach trouble and terrible backaches and was confined to my bed the greater part of three years. I was under the care of our family physician most of the time, but did not seem to get better. I was completely run-down and was not able to do my work about the house. My blood was impure and my complexion pale. I suffered from flashes of heat, followed suddenly by chills. I had awful headaches, which lasted from three to four days. I could get but little rest at night, as my sleep was broken and fitful. As a result, I lost several pounds in weight and became very nervous. I was in a wretched condition when I heard about Dr. Williams' Pink Pills. I started to take the pills at once and began to gain in weight and health. I was encouraged by this to keep on until I was cured. My friends and neighbors often remark what a changed woman I am and I owe it all to Dr. Williams' Pink Pills."

These wonderful pills are useful in a wide range of diseases such as anemia, rheumatism, sciatica, neuralgia, nervous headaches, and even locomotor ataxia and partial paralysis.
The great value of Dr. Williams' Pink Pills lies in the fact that they actually make new blood and this carries health and strength to every portion of the body. The stomach is toned up, the nerves are strengthened, every organ is stimulated to do its work.
Dr. Williams' Pink Pills are sold by all druggists, or sent, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

The Doctors Agree.
From the New York Weekly.
Skeptic—Did you ever know two doctors to agree?
Medical Student (after reflection)—Yes; once.
"Where was it?"
"At a post mortem."

FITS St. Vitus' Dance and all Nervous Diseases Permanently Cured by Dr. Kline's Great Nerve Restorer. Beware of cheap imitations. DR. H. H. KLINE, L.D., 931 Arch Street, Philadelphia, Pa.
Believed in Square Deal.
There was once a sporting parson at Eastington, a place on the English coast which was a favorite landing place for woodcocks at the time of their immigration to England. When the birds arrived, exhausted by their long flight, everybody in the parish, including the parson, at once turned out to join in the sport of knocking them down with sticks. One Sunday the people were in church and the parson in the pulpit, when the church door was cautiously opened and a head appeared with a beckoning finger. "Well, what is it?" asked the parson. "Cocks is coming!" The parson hurriedly shut up his sermon case. "Shut the door and lock it," he cried to the clerk. "Keep the people in church till I've got my surplus off. Let's all have a fair chance."

BABY'S ECZEMA GREW WORSE.
Hospitals and Doctors Could Not Relieve Him—But Cuticura Remedies a Speedy, Permanent Cure.
"Eczema appeared when our baby was three months old. We applied to several doctors and hospitals, each of which gave us something different every time, but nothing brought relief. At last, one of our friends recommended to us Cuticura Soap and Cuticura Ointment. A few days afterwards improvement could be noted. Since then we have used nothing but Cuticura Soap and Cuticura Ointment, and now the baby is six months old and is quite cured. All that we used was one cake of Cuticura Soap and two boxes Cuticura Ointment, costing in all \$1.25. C. F. Kara, 343 East 65th street, New York, March 30, 1906."

Jolt From the Office.
There is a story about a company promoter who advertised for an office boy. He received 100 replies. Out of 100 he selected ten, and with the writers of these ten replies he had a personal interview. His final choice fell upon a bright youth, to whom he said: "My boy, I like your appearance and your manner very much. I think you may do for the place. Did you bring a character?" "No, sir," said the boy. "I can go home and get it." "Very well; come back tomorrow morning with it, and if it is satisfactory I dare say I shall engage you." Late that same afternoon the financier was surprised by the return of the candidate. "Well," he said, cheerily, "have you got your character?" "No," answered the boy, "but I've got yours—an I ain't coming!"

An Unfriendly Bear.

From the New York Times.
David Kyler, a farmer, went fox hunting with a shotgun recently. In the course of his search he encountered a bear which, without waiting for the call of time, kicked Mr. Kyler on the ear, bit his arm, lacerated him when he had him down, and otherwise gave evidence of an unfriendly disposition.
Mr. Kyler at the first opportunity fired two loads of shot into the bear's face and then, seizing a gnarled club, smote his adversary with such violence that the bear curled up and died.
At that juncture Game Warden Finnegan appeared. "Don't you know that this is the closed season for bears?" he asked the victor.
"Yes; and it's the closed season for men, too, by heck," averred Mr. Kyler, panting from his recent exertion. "That bear ought to be locked up."

What Do They Cure?

The above question is often asked concerning Dr. Pierce's "Golden Medical Discovery" and "Favorite Prescription." The answer is that "Golden Medical Discovery" is a most potent alterative or blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach, or catarrhal dyspepsia, bowels (as mucous, hepatic, bladder, uterus or other pelvic organs). Even in the chronic or ulcerative stages of these affections it is often successful in effecting cures.

"The Favorite Prescription" is advised for the cure of one class of diseases—those peculiar weaknesses, derangements and irregularities incident to women only. It is a powerful yet gently acting invigorating tonic and nerve. For weak worn-out, over-worked women—no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formulae of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines.
The words of praise bestowed on the several ingredients entering into Doctor Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native American medicinal forest plants. They are both sold by druggists in medicinal form. You can afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.
Dr. Pierce's Pellets, small, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver and bowels.

How to Exercise the Bowels

Your Intestines are lined inside with millions of little suckers, that draw the Nutrition out of food as it passes them. But, if the food passes too slowly, it decays before it gets through. Then the little suckers draw Poison from it instead of Nutrition.
This Poison makes a Gas that injures your system more than the food should have nourished it.
You see, the food is Nourishment or Poison, just according to how long it stays in transit.
They do not waste any precious fluid of the Bowels, as Cathartics do.
They do not relax the Intestines by greasing them inside like Castor Oil or Glycerine.
They simply stimulate the Bowel Muscles to do their work naturally, comfortably, and nutritiously.
And, the Exercise these Bowel Muscles are thus forced to take, makes them stronger for the future, just as Exercise makes your arm stronger.
