**The Warming Closets Of a Range**  
THE Warming Closets on all Majestic Ranges have malleable iron doors and frames. The doors can be dropped down without fear of breakage, forming a perfect shelf, and holding the weight of an ordinary size man.  
At a glance you would think the roll back door on other warming closets would better suit your purpose. Let us use a little reasoning: First, with the roll back door closet you have no shelf to set things on before you slide them into the closet, while on the drop door you have. Second, with the roll back door you have very little room in closet, the roll door taking up most of it. Third, if you are not careful you will break the dish in closet by back of roll door hitting it. The Majestic has good strong drop doors—you can't break them.

The Junior League service at 3 o'clock will be led by Miss Ethel Conklin. We should like to see every Junior in his or her place. **Good Cough Medicine for Children.**  
The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says, "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by Gilligan & Stout.

The Wayne Normal opens a new term December 30. Here is a chance for young men and women to go to school, at least, a few months this winter. Students can take just the studies they want; no examinations to enter. You will get great good by going a single term. Write Pres. J. M. Pile for a catalog which tells of the work, the excellent accommodations and the small expense for attending. This school can care for 1000 students nicely.

**Advertised Letters.**  
The following letters remain uncalled for in the O'Neill postoffice for the week ending November 30, 1907:  
Orlando S. Carver, Miss M. K. Smith, Mary K. Smith, Gilbert Swartzlerider, Mrs. Hope Stansberry, George Mussear, Mrs. Lillie Nichols, Mrs. Mary Murphy, A. Linkinson, Mrs. Frank Hammerberg, D. J. Gibbons. Postal cards: Miss Mary K. Smith, George Mussear.  
In calling for the above please say "advertised." If not called for in two weeks will be sent to dead letter office R. J. Marsh, Postmaster.  
Beware of Frequent Colds.  
A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White of Butler, Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by Gilligan & Stout.

It tells how farmers succeed there; about the cheap land, the productive yields and the grand opportunities for money making and home building. It tells about wheat raising in the Big Bend country—fruit raising in the Wenatchee valley and dairying in the Puget Sound region. Farmers in Washington are not satisfied to merely make a living. They BECOME INDEPENDENT.

High prices for farm products, good transportation and low priced land make this possible in a few years. The climate in Washington is a mild and healthy one. The book gives the climatic and agricultural conditions of the country and tells what others have done. You can do as well. Send for it today, its free for the asking. Address—
